## Robin Gregory

### **Welcome and About Me!**

My name is Robin Gregory. I am the Reading Specialist at Blue River Valley Elementary. This is my 21st year here, and I must say that it is a special place. It is our goal to support your child to be the best they can be while at BRV and beyond. Thank you for the opportunity to provide our students with the best education we can provide.

### **My Education and Professional Background**

I received my Associate Degree in Early Childhood from Ivy Tech. I then transferred to Western Governors University where I completed my Bachelor of Arts In Interdisciplinary Elementary Education K-6. I just completed an Orton-Gillingham Certification for a Level 1 Practitioner. Orton-Gillingham is the Explicit and Systematic approach to learning phonemic and phonological awareness in Reading. Early Childhood has been a big focus in my professional career in grades K-2. I am very excited to serve as the Literacy Coach for Blue River Valley Elementary as well.

### **My Educational Philosophy and Thoughts on Our School**

I believe that within each child, there is a desire to learn. It is our job to find the key that opens up a world of possibilities. There is no greater moment than when I see the light that goes off, and I know that I have made a connection. For me, that connection begins with one little word "love." With this in their hearts and the educational skills we equip them with, they can do anything! Our staff is dedicated to giving our students this "love" for learning.

## **My Family**

On a personal note, my husband Gene and I have been married for almost 34 years. We have a daughter, Kyla and son, Brad who graduated from BRV. Kyla lives in Fort Wayne and her boyfriend lives in Huntington. Brad and his wife Jill have two daughters of their own Braelyn and Addie. My granddaughters light up my life. I love spending time with my family, going to church, and playing the guitar.
