## Megan Arnold

### **Welcome and About Me!**

Hello! My name is Megan Arnold. I have the pleasure of serving as a Reading Interventionist within the Title 1 Team at Blue River Valley Elementary School. It is truly an honor to work with such incredible students from all grade levels to help them unlock their potential through the power of reading.

### **My Education and Professional Background**

I graduated from Purdue University in 2015 with a Bachelor of Science degree in Human Services and a minor in Psychology. Shortly after graduating, I felt drawn to the classroom. I quickly enrolled in a Transition to Teaching program through Indiana Wesleyan University during which I served as a substitute teacher and student teacher at Blue River Valley Elementary School. After completing my program, I had the pleasure of teaching 3rd grade during the 2018-2019 school year. After a few years of working in the nonprofit sector, I am thrilled to step back into the classroom at Blue River as a Reading Interventionist.

### **My Educational Philosophy and Thoughts on Our School**

I truly believe that literacy skills have the power to unlock endless possibilities for a child's future. I believe that my job is to design effective lessons that strengthen students' reading skills and inspire a love for learning and reading. It is my goal to instill confidence in each student by celebrating their successes and cheering them on as they encounter challenges.

### **My Family**

I am very grateful for my amazing parents who have recently relocated to Muncie after retiring. We enjoy hiking and playing card games together. I am also a proud aunt to two nephews and one niece who live in Pennsylvania with my brother and his wife. I have a very funny Boston Terrier named Jack who keeps me on my toes.
