Dates:

June 3-28, 2024

(Voucher students are exempt from tuition fees, but must attend a minimum of 15 days.)

8:00a.m.- 12:30p.m.

We are happy to announce that summer school is now open for all students! Each session will provide a mixture of remedial education for those students who struggled a bit in their learning and enrichment classes that will be both challenging, fun, and a bit more interactive than what our normal curriculum provides. We will do our best to help each student individually by contacting teachers to see what areas would be of help. Every Friday, teachers will send a short report home to parents including skills that were targeted that week.

Classes will include STEM Exploration, Spy School, Grate Expectations, Flat Stanley Reading Club, Shark-o-pedia, and more!

Our day will begin at 8am. Students should not arrive any earlier than 7:45am. Upon arrival, students will report to their classroom. Dress code will be casual, shorts and t-shirts. All clothing should be modest. Tank tops are not allowed. On Fridays students will be encouraged to dress in RCCS spiritwear. Our day will end at 12:30p.m.. Transportation will not be provided.

As it is a long morning, students may eat snacks they have brought in from home. On Friday, snacks will be provided by the school. Students should expect to eat lunch at home.

We have a limited amount of space. If you wish to enroll your student, please fill out the registration form on the other side of this letter. The registration form can be dropped off at the main office at either campus or emailed to Mrs. Arp. (arp@rccs.us)

If you have any questions, please feel free to reach out.

Thank you very much and we look forward to having a great summer!

In Christ,
DeeDee Arp
Summer School Director
