Jordy Long, Manager (or athletic trainer)

Parents: Chris & Angela Long

Clubs/Sports: I've managed for volleyball, girls basketball, and track for 4 years. Senior Class President, NHS, FCA

Plans After High School: I plan on getting a degree in sports management and becoming a student assistant for volleyball at the college level. Hopefully, it's at the University of Louisville or the University of Arkansas. WOOO PIGG!

JORDY STATS

Jordy has been the manager for more than **200** volleyball games, and that's not counting any junior high matches. Add in maybe **170** basketball games and **40+** track meets, he is the consummate manager here at Southwest. And don't forget Jordy rarely misses practices in any of those sports, so add in about a **million** (rounding up obviously) of those.

ALL JORDY, ALL THE TIME

Class of 2024 Legacy

Brooklynn, Jules, Lyric and Jordy have been in the volleyball program for 6 years. Sophie is a foreign exchange student from Germany who is in her first year in the sport.

They were part of our three biggest Pink Out celebrations ever and the 40th annual Volleyfest. They were also part of Coach Voyak's 250th win against Wheaton. They also played through the strange covid seasons.

Thank you, and congratulations.

Coaches Voyak & Henry
