Letters to our Seniors

Cindy Flowers
Superintendent of Schools

Dear Graduating Class of 2024,

Congratulations on reaching this significant milestone! Your hard work, dedication, and resilience have led you to this moment, and I am immensely proud of each one of you. As you step into the next chapter of your life, embrace the opportunities and challenges that come your way with the same determination and spirit you've shown throughout your time here.

I wish you all the best in your future endeavors. Continue to strive for excellence, pursue your passions, and make a positive impact on the world.

Warmest congratulations and best wishes for a bright future!

Regards,
Cindy Flowers

To the Class of 2024 Seniors,

On behalf of the Board of Education – Congratulations on completing your requirements to graduate.

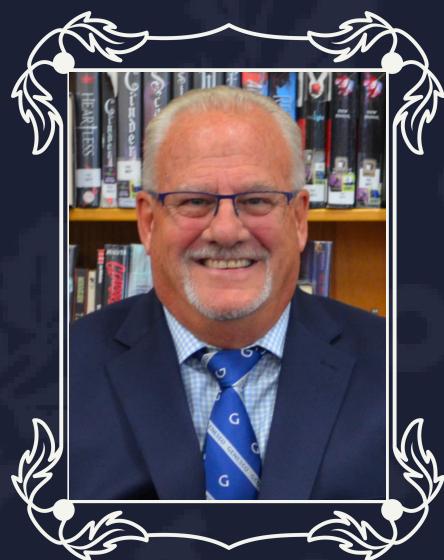

The theme of your yearbook this year is Once in a Lifetime. Your commencement is another one for that list along with friendships forged, lessons learned, and individual achievements in arts, drama, athletics and academics.

Whether your plans are to enter the workforce right away or attend an institution of higher education, enter the military, or travel the world, please know that we are very proud of what you have accomplished in your time here at Geneseo Central School District. Thank you for letting us be a part of your journey.

As you enter the next chapter - go ahead and embrace the challenges and the opportunities with confidence, courage, creativity and commitment to make a difference.

Always remember the spirit and image of Geneseo. Congratulations Class of 2024. Go Blue!

Sincerely,
Michael Tenalio
President, Geneseo Board of Education

Blue Devil Retirees

Steve Mouw

French Teacher

It is with mixed emotions that we announce the retirement of Mr. Steve Mouw, whose incredible service and dedication to Geneseo MS/HS have been unwavering since 1995. Over the years, Mr. Mouw has embraced several roles within our district, leaving an indelible mark in each one. Beyond his tremendous skills as a Spanish and French teacher, he has also excelled as a coach, mentor, and the World Language Department's Team Leader. In every capacity, Mr. Mouw has achieved the highest levels of success, earning the admiration and respect of both students and colleagues.

Mr. Mouw's professional journey is shown by his outstanding teaching qualities and his unwavering commitment to developing the whole student. His dedication to fostering a comprehensive educational experience has touched countless lives, with numerous students reaching out to him long after their graduation from GCS to express their gratitude. The appreciation for Mr. Mouw's efforts in enhancing students' language skills resonates throughout our community, with many attributing their success in college to his guidance and support.

The respect and praise Mr. Mouw consistently receives from his students is a testament to the positive impact he has had on their lives. Students frequently reference Mr. Mouw as a pivotal influence in their academic and personal achievements, highlighting his role in their success. Simply stated, Mr. Mouw has profoundly shaped the lives of many Geneseo students, and his legacy will be felt for years to come.

As a cornerstone of our school, Mr. Mouw's absence will be deeply felt in the coming years. His professionalism, passion, and dedication to teaching have earned him numerous accolades and have set a high standard for educators in our community. While we will miss his presence, we celebrate his remarkable career and the positive influence he has had on our school.

We extend our heartfelt wishes to Mr. Mouw for a retirement filled with joy and fulfillment. Thank you, Mr. Mouw, for your extraordinary service and the lasting impact you have made on Geneseo MS/HS.

Kurt Graupman

Math Teacher

We are both saddened and honored to announce the retirement of Mr. Kurt Graupman, whose absence will be profoundly felt at Geneseo MS/HS next year. Mr. Graupman's exceptional career at GCS began in 1991, marking the start of over three decades of dedicated service and inspiring education. His remarkable success in teaching Grade 8 Math, along with other high school courses, has set a standard of excellence within our school.

Throughout his tenure, Mr. Graupman's students have consistently performed at the highest levels across the Greater Rochester Region, reflecting his extraordinary teaching abilities and commitment to student success.

His talent for building positive and impactful relationships with his students is highly commendable, creating a lasting legacy of fond memories and successful learners. Former students frequently speak with admiration and warmth about their classroom experiences with Mr. Graupman, highlighting the profound impact he has had on their academic and personal growth.

In addition to his classroom achievements, Mr. Graupman has been instrumental in supporting and enriching the annual Washington D.C. Trip, offering students invaluable experiences and learning opportunities beyond the classroom. His dedication extends far beyond academics, embodying the spirit of community and mentorship that is at the heart of Geneseo MS/HS.

Mr. Graupman is truly a cornerstone of our school, whose professionalism, talents, and unwavering passion for teaching have earned him accolades from administration, students, and colleagues alike. His energy and dedication throughout his career are unparalleled, and he serves as an inspiring role model for future educators.

As Mr. Graupman embarks on his well-deserved retirement, we wish him the very best for a healthy and happy future. His contributions to our school will be remembered and cherished for years to come. Thank you, Mr. Graupman, for your incredible service and the lasting impact you have made on Geneseo MS/HS.

Blue Devil Retirees

Roxanne Loomis

Bus Driver

It is with a mixture of heartfelt gratitude and bittersweet farewells that we announce the retirement of Roxanne Loomis, our beloved bus driver, who has dedicated 35 years to safely transporting students to and from school. Roxanne's commitment and unwavering dedication have made a lasting impact on our community, and her presence will be deeply missed by students, parents, and staff alike.

Roxanne began her career with our school district in 1989, and from her first day behind the wheel, it was evident that she was not just a bus driver but a guardian and friend to every child who boarded her bus. Over the decades, she has driven thousands of miles, ensuring that students arrived at school ready to learn and returned home safely each day. Her warm smile and friendly greeting were a comforting start to the day for many children, setting a positive tone for their entire school experience.

Throughout her career, Roxanne demonstrated an unparalleled dedication to her role. She navigated the challenges of early mornings, inclement weather, and bustling schedules with grace and professionalism. Her impeccable safety record is a testament to her careful and conscientious approach to her work. Roxanne's commitment to student safety and well-being has been nothing short of exemplary.

Beyond her driving duties, Roxanne forged meaningful connections with her passengers. She remembered names, birthdays, and the little details that made each child feel special and valued. Her bus was more than just a vehicle; it was a moving community where students felt safe, respected, and cared for. Roxanne's ability to create this nurturing environment contributed significantly to the overall positive atmosphere of our school district.

Roxanne's retirement marks the end of an era, but her legacy will continue to inspire us. She has set a high standard for dedication, kindness, and excellence in service. As we bid farewell, we reflect on the countless lives she has touched and the positive influence she has had on our community.

To Roxanne, we extend our deepest thanks and heartfelt appreciation. Your 35 years of service have been a gift to us all. We wish you a retirement filled with joy, relaxation, and the same warmth you have given to others throughout your career.

Thank you, Roxanne Loomis, for your remarkable service. You will always be a cherished member of our school family.

Donna Sackett

Food Services

It is with immense gratitude and warm wishes that we announce the retirement of Donna Sackett, our dedicated cafeteria monitor, who has faithfully served our school for 31 remarkable years. Donna's steadfast commitment, kindness, and unwavering support have touched the lives of countless students and staff members, making our cafeteria a welcoming and safe place for all.

Donna began her journey with our school district in 1993, and from the very beginning, she brought a sense of care and community to her role. As a cafeteria monitor, she not only ensured the orderly and efficient operation of our lunch periods but also provided a nurturing presence that made students feel seen, heard, and valued. Her ability to balance discipline with compassion created an environment where students could enjoy their meals and socialize in a respectful and inclusive setting.

Throughout her tenure, Donna demonstrated an extraordinary dedication to her job. Her mornings were filled with the hustle and bustle of preparing the cafeteria, and her afternoons were spent ensuring that every child had a positive and safe lunchtime experience. Donna's attention to detail and her genuine concern for each student's well-being were evident in everything she did, from resolving conflicts with a calm demeanor to offering a kind word or smile to brighten someone's day.

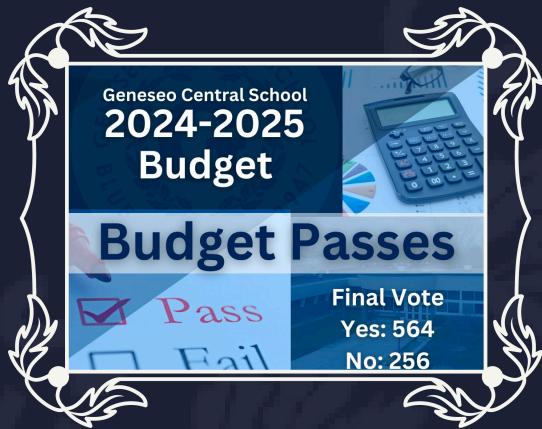

One of Donna's most notable qualities was her ability to connect with students on a personal level. She remembered their names, their favorite foods, and their unique stories. This personal touch helped foster a sense of belonging and community within the cafeteria, making it a place where students felt comfortable and cared for. Donna's kindness extended beyond her official duties, often going the extra mile to make sure no child felt left out or alone.

As Donna steps into her well-deserved retirement, we reflect on the profound impact she has had on our school community. Her dedication, warmth, and unwavering support have been a cornerstone of our daily operations and have left an indelible mark on all who had the pleasure of knowing her.

To Donna, we extend our deepest thanks and heartfelt appreciation. Your 31 years of service have been a true gift to our school. We wish you a retirement filled with joy, relaxation, and the same sense of fulfillment you have given to so many others throughout your career.

Thank you, Donna Sackett, for your remarkable service. You will always be a cherished member of our school family.

2024-2025 Budget Passes

Thanks to our dedicated and supporting community members, the proposed budget for our 2024-2025 Academic Year has been approved!

This budget lets GCS continue providing rigorous academic offerings, robust fine arts opportunities, a large range of extracurricular activities, and athletic opportunities for all Geneseo Central School students! As the 2023-2024 School Year begins to wrap up, we are excited to start planning for the 2024-2025 academic year!

For our Board of Education Election: Kevin Niedermaier was re-elected to serve an additional term, and Lynn Muscarella for being elected for the first time.

Thank you to all who supported and participated in the budget vote process!

A Night to Remember!

Our JR / SR Prom was an absolute blast!

The Prom was successful thanks to all of our amazing students who brought the energy, our dedicated staff who supported the event, and our incredible organizing team for putting it all together!

This was definitely one night that our students will never forget!

GCS Odyssey of the Minds Compete at World Championships

After competing at the state championships, our Odyssey of the Minds teams made the cut to compete against students from 10 countries and 33 states at the Odyssey of the Minds World Championships. Our teams were tasked with solving a number of problems on their own, without any help from their coaches, in the realms of engineering, theatre, and art. Overall, our GCS teams were able to place across the board at the World Championships and we couldn't be prouder of the hard work and out-of-the-box thinking that our students were able to do to solve their team problems.

Student Talent on Display During Spring Art Show

The Geneseo Central School District showcased the remarkable talents of its students during the Spring Art Show, where artists from all grade levels displayed their incredible work. The event allowed fellow students, staff members, and community members to come together and appreciate the creativity and hard work of our young artists.

Each piece on display was a testament to the skill and imagination of the students, making the show a true celebration of artistic excellence.

GCS Honored at RATSA Employee Brunch

Two outstanding members of the GCS family have been recognized at the Rochester Area Transportation Supervisors Association's Employee Brunch!

Our very own Board of Education Vice President Dave Dwyer was honored for his dedicated service as a Transportation Supervisor, alongside his continued support to our school community and the association. In fact, the ceremony was even named in his honor, and will now be known as the "David Dwyer Employee Appreciation Brunch!"

We also want to give a huge shoutout to Roxanne Loomis, one of our incredible bus drivers, who clinched the title of Professional Transportation Employee of the Year for GCS!

Touring "The Big School"

Our UPK students recently had an exciting day touring "the big school" as they get ready for Kindergarten! Those students rode the bus to GCS where they got to see the auditorium, sang along with our 2nd grade students in the music room, and got to play in the kindergarten classrooms and on the playground!

UPK students were even greeted with signs from "the big kids" welcoming them to the school! The kids are very excited to be going to Kindergarten soon!

Construction Started on New Playground

Construction has officially started on our new playground! Our crews are rolling up their sleeves to get our brand new playground up and ready for students to enjoy during the next school year!

We understand that working on the playground during the summer months is less than ideal timing, but we're working hard to get the project finished as soon as possible. Your patience and support mean the world to us, and hopefully we'll be swinging into action on the brand new playground soon!

Therapy Dog, Hank, Providing Some Tail-Wagging Fun

Our newest therapy dog, Hank, is settling in quite nicely at GCS and has already made such a PAW-sitive impact on campus.

The students love having him around, and his cheerful presence makes every day that much brighter!

Here's to more tail-wagging fun!
