**Harvest
of the
Month™**

Apples are this month's local grown seasonal item that will be available as one of the fruit and vegetable offerings grown in California.

Reminder: Students get one free breakfast and one free lunch. If they ask for a second meal, they will be charged \$2.50 at Breakfast and \$3.50 at Lunch.

This menu is subject to change. Currently Child Nutrition Services is experiencing product shortages due to disruptions in the supply chain and also labor shortages. We regret having to do so but at times we must change the day's menu.
