

Dear Parents and Friends of ATA

September is Childhood Cancer Awareness Month.

Every day, 47 children are diagnosed with cancer. In 6 short days, that would equal the number of students at ATA. Furthermore, the number of diagnosed cases annually has not declined in nearly 20 years. We are celebrating the mighty kids and families throughout the month of September – because we know kids fighting cancer are mighty strong, and their stories are mighty powerful.

We want to bring awareness to this cause and teach our students to help those fighting for their lives by having several childhood cancer awareness activities during the month of September.

At the end of each week in September we will have a special theme day. Students are invited to donate \$1.00 or more each Friday. Donations can be made anytime during the month of September.

- September 8 Hats on Day – Students are invited to wear a hat to school
- September 15 Gold Out Day – Wear Gold or Yellow to school
- September 22 Favorite Football Team Day– Let's tackle childhood cancer together.
- September 29 Superhero Day– "Children who battle cancer are superheroes because they don't let the villain they are currently facing alter their hope for the future." – Mallory Z
- Purchase a "Chain of Hope" – Donate an additional \$1.00 or more to add a link to our chain of hope.

If everyone donated just \$1.00, we could collect almost \$400 to battle childhood cancer. Please send the contribution with your child each Friday morning before the school day begins or a one-time donation at any time during the month of September.

Thank you for supporting Childhood Cancer Awareness

All donations will be given to help a little friend who is very special to our ATA family.

For your convenience, a one-time donation can be sent to school instead of weekly donations. If you would like to send a one-time donation, please complete this form and return it with your donation so that your child's teacher knows your child is planning to participate in these activities. A \$1.00 donation is suggested for each activity.
