Remote Learning

Day 1

Student Name _____

Remote Learning Date _____

In the event of a Remote Learning day, students will be expected to complete the assignments contained in their Remote Learning packet. In order to receive credit for both the work and attendance, all assignments must be completed within two (2) school days of the Remote Learning day. For example, if the snow day is Tuesday, the student has until Thursday to turn in the Remote Learning lessons. Otherwise, the child is counted absent for the Remote Learning Day.
