

Spring Book Fair 2024

March 4-8

Dear Parents,

This week is the start of our school's Spring Book Fair. We hope that you are as eager to share this experience as we are to share it with you.

For those of you who are not familiar with the book fair, it is an event run by PTA volunteers. All volunteers must be paid members of our school's PTA to participate. Forms were sent home earlier this school year to apply to join this organization.

The Book Fair brings in money to help purchase books for our school as well as earning money for our students to be able to participate in different activities throughout the school year. What better way to help the school than to help with your love of reading!

Each classroom has a designated time to buy books. Be sure to see the chart on the back of this side to know when your child will have an opportunity to purchase books from the book fair.

There are several ways you are able to send money with your children. You can send cash or a check made payable to ATA PTA. Change will be provided if the amount of the check is more than the cost of the books, but please keep in mind that WV sales tax will be included in the total cost. There is also an option that allows parents to create an account for prepay called E-Wallet. You can find this option on our school book fair page.

When sending money with your child, please be sure it is in a sealed envelope or bag with their name and booklist of approved items listed. If you choose to pay with the E-Wallet, make a note on the booklist that you created an account in your child's name.

Let's make this a great bookfair!

Thanks,

Ashley Vojtas (304-670-6314)

(Chairperson of the Bookfair)
