

# UNDER CONSTRUCTION!

A Family-School Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

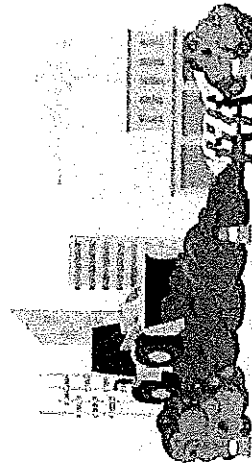

## Effective Compacts:

- Begin with students
- Focus on student learning
- Respond to school data
- Define everyone's responsibilities, and
- Depend on us to believe in and use it!

## Jointly Developed

The parents and staff of Ansted Elementary School developed the Family-School Compact for successful partnership. Parents created the suggestions for home activities to support learning. School wide meetings are held each year to review the compact. Parents are welcome to contribute comments at any time.

For more information on this compact please contact Marchelle Bowling, Principal at (304)658-5961 or email [mrmorage@k12.wv.us](mailto:mrmorage@k12.wv.us).

## Families Learning Together

We will have many exciting learning experiences this year.

Join us for parent workshops focusing on Math, Reading, Writing, and Child Development sponsored by Title I; throughout the school year. More information will be sent home in the weekly parent letters.

## Student Learning

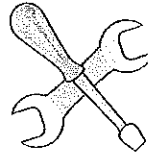

Ansted Elementary School is committed to frequent two-way communication with families about children's learning. The following are some ways we communicate with parents:

- Daily Red Folders
- Private Facebook Group
- Class Dojo
- Parent Teacher Conference
- Phone Calls
- Notes to/ from School

Do you have questions about your child's progress? Contact your child's teacher by, Class Dojo, phone, (304)222-6666 or email, [laken.bone@k12.wv.us](mailto:laken.bone@k12.wv.us), at scheduled times.

## Students will...

1. Students will develop literacy and vocabulary skills through active participation and engaging learning experiences.
2. Students will develop understanding and awareness of mathematical concepts and solve real world problems.
3. Students will engage in writing activities to develop and understand the writing process.
4. Students will develop their knowledge and skills using technology.
5. Students will set learning goals and reflect upon their own learning processes.
6. Students will demonstrate respectful, responsible, and safe behaviors.
7. Students will do their best work.
8. Students will set personal goals.
9. Students will develop a growth mindset.

## At Home

- Have fun with math! Use household items to help your child with math skills.
- Check red folders daily.
- Read with your child at least 20 minutes a day.
- Be involved with your child's education and utilize two way communication.
- Attend parent workshops to learn new information.
- Participate in decision making concerning your child's education.
- Send your child to school on time with adequate rest.

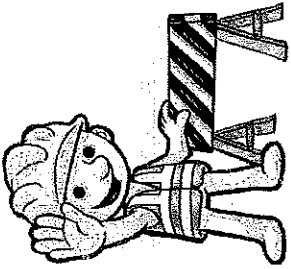

- All children will learn and achieve to their full educational potential.
- All children must be provided a safe, secure, and nurturing environment where all individuals are treated with respect.
- The involvement of AES families, community, and staff is essential to the success of our students.
- Highly qualified personnel, strong, leadership, and adequately staffed facilities are required.
