Dear Parents/Guardians of 5th and 6th grade students,

The 5th and 6th grade presentation on internet safety is scheduled for Monday, January 29th at 8:05 am. I shared the presentation that our SRO would be using and we have decided to change the presentation for our 5th and 6th graders. Office Harris will be covering the following topics:

- Cyberbullying
- Gaming
- Social Media

The presentation that was shared with you **will not** be shown to your students. Office Harris will only be using only information from [NetSmartz](#). If you are uncomfortable with your child attending the presentation, please reach out and we can make alternate arrangements. If you have any questions and/or concerns please email me at sbelosi@sccsd130.com or call the office at (618) 233-6863.

Thank you,
Stacy Belosi, Principal
