

Title 1 Compact

WE BELIEVE THAT THE FULFILLMENT OF THIS AGREEMENT WILL PROMOTE THE LEARNING PROCESS AND BENEFIT ALL PARTIES INVOLVED.

* Indicates required question

School Commitment

Our school leaders have agreed to the below items: We will provide high-quality curriculum and instruction a supportive and effective learning environment that will enable success for every student and:

- assist students in reaching their fullest potential with the belief that all children can learn and be successful
- provide an ongoing oral and written communication to parents and students regarding performance and assessment results
- enable each student to achieve and make progress toward meeting the Grade Level Expectations
- assure every student access to quality learning experiences appropriate to their development in each session
- teach students strategies to use in order to gain competence in communication arts
- encourage the implementation of a parent involvement policy that facilitates meaningful parent involvement

Student Commitment

Our students have agreed to the below agreement.

I realize the importance of learning and as a student I will:

- attend school every day possible
- complete and return assignments on a daily basis
- participate in class and support activities
- ask for help when I need it
- provide parent/guardian with information from my school
- cooperate with my Title I teacher and peers so that I may learn

Parent/Guardian/Family-Member Commitment

As Family Leaders, Parents, Guardians we realize the importance of learning and working cooperatively with the school to make sure this happens. We, therefore, will provide an appropriate learning environment in the home and will:

- provide adequate time for homework completion
- attend conferences and other meetings pertaining to my child and his/her education
- send my child to school on time everyday
- support the academic coursework provided in the learning support program at our child's school
- communicate with my child's Title I teacher as questions and concerns arise

Staff Commitment

As staff members in support of learning, I will:

- provide appropriate materials and positive experiences for the student
- inform parents of progress periodically
- support and encourage every effort made by the student
- provide quality learning experiences for the student
