Family Panorama Survey 2023

As you may already be aware, building our students social-emotional learning skills is an important goal for our school this year. Each week, our teachers engage students in a variety of activities that focus on social and emotional wellbeing. As with any subject area, assessing our students' understanding and needs within that area is how we determine the next steps for how to best meet those needs. Social and emotional learning is no different. With that in mind, sometime in the near future your student will be participating in a social/emotional survey that will provide invaluable insights into their experiences and provide us with important information to help us improve and adapt our school to meet their needs. I want to assure you that the responses to these surveys will be confidential. The survey is called "Panorama", if you have any questions about it, or do not want your student to participate in the survey, please email and let us know. Finally, there is also a parent version of the Panorama survey that we would like YOU to take! Please click on the following link to do so: [Family Surveys Fall 2023](#)

We appreciate you taking the time to do so and will use the information to provide the best services possible to you and your family! Go Tigers! -- Jeff Ingrum (Principal; Grove Elementary) Jeff_Ingrum@msd25.org

Official Halloween Guidelines from MSD

Marysville School District reminds students, staff, and families to keep it fun, not risky or offensive. Halloween is just around the corner, and we want all our staff and students to have the opportunity to enjoy it safely and respectfully. The following guidelines help to avoid costumes that may make people feel scared, exploited, insulted, or humiliated. Sometimes, even with good intent or without fully realizing it, people wearing costumes that may be offensive to others. To that end, we have established guidelines for costumes that may be brought or worn to school:

- Costumes should not be offensive or discriminatory - this includes costumes that may be based on or portray a particular race, color, sex, gender, disability, or national origin. Face paint or wigs should not be worn to portray different races or skin colors.
- Costumes should not include weapons, simulated weapons, or props that could be dangerous to others.
- Masks, face coverings, or make-up that results in staff being unable to identify students should not be worn.
- Costumes should be school-appropriate and conform to dress code standards.
- Anything that would be placed in the mouth is not allowed, such as pacifiers or false teeth.
- Costumes that depict violence, gore, alcohol, or drugs are not appropriate. Everyone is responsible for creating a safe and welcoming environment for all. Thank you for adhering to these guidelines. If you have questions about whether a particular costume is appropriate for school, please contact your child's school.

Thank you and have fun and stay safe if you plan to celebrate!

Conference Week

Oct. 30th – Nov. 3rd

Release @ 12:40 all week including Friday!

Your child's teacher will be reaching out with an online sign up, such as Sign up Genius document so that you can coordinate your children's conference times to be back-to-back if that is what you prefer.

Please reach out to the office if you have any questions @ 360-965-1700.
