

Hello Wonderful Grove Elementary Families!

Now that our fundraiser is over and we know how much money we have (\$10,217) to support the staff, students, and families at Grove Elementary, it's time to decide on priorities.

We've created a simple survey that allows you to rank your priorities and show us how YOU would like the dollars you raised to be invested in your children and school!

Be sure to rank in order of priority with the most important on top and the least important on the bottom. Use the arrows to move them around until you are happy and then press "done"! It's that easy. All answers are anonymous, and these items are all based on the approved budget line items that were voted on at the last meeting! Please complete by Friday at 2pm.

Thank you,

Grove PTA
