To the Grove parents,

Hello, my name is Graham Chattin and I will be one of the new speech teachers at Grove Elementary! If you are receiving this letter, your child will be on my caseload. I look forward to beginning therapy in the coming days and weeks and getting to know everyone. If you have any questions or concerns, please feel free to contact me at 360 965 1700 and I will get back to you as soon as I can. I will do my best to be available to meet as many families as I can during conference week to discuss therapy and compensatory services. I can't wait to meet everyone, and I am certain that together we can make this a productive and rewarding school year!

Warm regards,

Graham Chattin
