"Better Together"

October 2023

From the Principal:

Dear Pinewood Families:

October is quickly upon us and as your new principal it has been absolutely WONDERFUL to meet your students and to see them in action in all areas of our school community. If you are new to our school community, I extend a heartfelt Pinewood Panther welcome!

With new classroom reconfigurations, I can say we are now off and running with classrooms engaged in productive learning. Pinewood teachers are working hard on creating productive learning environments. As I walk through Pinewood classrooms, I'm encouraged to see students engaged in meaningful lessons and are learning important grade level and extended appropriate skills. I'm also encouraged by our students adhering to our school-wide rules: **Be Respectful, Be Safe. Be Kind, to show we care.**

Thank you for sending us such good citizens! Our focus for this first month of school is Responsibility. Already I can see Pinewood has many, many students who always exhibit fine responsible behavior while in their classrooms, recess, and our common areas. Some examples of being Responsible are:

- Other can count on you
- You admit your mistakes and learn from
- Following through on commitments even when you don't feel like it.

As a Pinewood staff we're getting to know the learning needs of each and every one of our students. We learn best when we work together in grade level teams where we review lesson content, align to State Standards, and plan to meet the individual needs of our students. We look for trends and are using data to make decisions about how we can improve our practices at Pinewood. We are using our School Improvement Days to examine our data, plan for small group instruction so all students are taught at their instructional levels, what we call the "zone of proximal development."

Our doors are open to you to volunteer and be our partners in your child's education. Pinewood can boast about having a great number of you who are willing to lend a hand in your child's classroom and with PTSA! Please see our office staff about completing the necessary background check to have you in our school. We welcome your support!

Thank you for once again, for being our partners in your child's education. This promises to be an outstanding year of learning!

Sincerely,

Teresa Williams
Principal

Counselor Corner October 2023

Greetings from Pinewood's school counseling office!

Here are a couple of services in our community:

- **Food For Thought**, food bags that go home every Friday from the Marysville Food Bank
- **Operation School Bell**, a free bag of clothing and a pair of shoes for any child in need.

If you are interested in signing up for these programs please contact me at 360.965.1366 or martha_porteous@msd25.org

Over the year I will teach in each of your students' classrooms. Here is what to expect from your school counselor by grade. Each link will give you more information about the lessons. Please contact me if you have any questions about these lessons.

- [5th graders: coping skills and a career unit](#)

ABSENCES and TARDIES

Please call the ATTENDANCE LINE at 360.965.1301

If your student will be absent or late arriving to school for any reason, please call the attendance line. If not answered this line goes directly to voice mail, which makes it available 24 hours per day, 7 days per week. When you know in advance that your child has a medical or dental appointment that will keep them out of school or arrive to school late, leave a message at this line. We are able to take the information in advance. If you do not leave a message and your child is not at school, an automated call will go out to attempt contacting you to ensure that your child is safe. Your child will be marked unexcused if contact is not made..

Please help us by calling in by 9:00 am. When your child is absent, please call or send a note with your child to excuse the absence within 3 days. Pre-arranged absences for family reasons need prior approval by the principal, provided that the absence will not adversely affect your child's progress in school. Absence approval forms are available in the school office. If your child arrives at 9:25 or later, please check in at the office for a tardy slip to minimize disturbance in the classroom.

How Does Your Child Go Home?

There may be days when your child is uncertain of the manner by which they are expected to leave school. Some days a child may be picked up by a parent or other adult and other days they may ride the bus or walk. This may cause some confusion especially as we see the change of weather. Please help your child know in advance what is expected of them at the end of the school day. It may be a good idea to create a plan with your child, reinforcing each morning how they are to get home. Of course, emergencies do happen. When the plan changes during the day, the office is happy to send a parent message to the student by 3:00 PM. Our goal is to ensure that your child returns home safely and as quickly as possible.

Student Messages

We are receiving many messages for students concerning end of the day plans. In order to avoid interruption of instructional time, we ask that plans for after school be discussed before school each day. Please keep end of the day messages for emergency changes only!

"De acuerdo con estudios continuos de la [Asociación Nacional de Educación](#), muestra que la participación de familias en escuelas mejora la parte académica del estudiante, reduce las faltas escolares y restaura la confianza de los padres en la educación de sus hijos. Los estudiantes con padres o tutores involucrados ganan calificaciones y notas más altas, tienen mejores habilidades sociales y mejoran su comportamiento. Recuerde usted es el primer maestro de su hijo(a). "No hay escuela que pueda trabajar bien por los estudiantes si los padres y maestros no actuan en nombre de los intereses de los niños"

According to the National Education Association, "Ongoing research shows that family engagement in school improves student achievement, reduces absenteeism, and restores parents' confidence in their children's education. Students with involved parents or other caregivers earn higher grades and test scores, have better social skills, and show improved behavior." "Remember, you are your child's first teacher." "No school can work well for children if parents and teachers do not act in partnership on behalf of the children's best interests"

Just a friendly reminder.....

Watch for more students walking to and from school.

-do not block driveways

- do not drive on wrong side of the road to enter school parking lot.

- be mindful of crosswalks and speed in the school zone.

Thank you!

Zones of Regulation

Family Access in Skyward (<http://family.marysville.wa-k12.net>)

Family Access is a great way for parents and guardians to access your child's grades, view attendance, discipline, meal account activity, and update your personal information such as phone numbers or emergency contacts. In some cases, the district will post forms in Family Access that require viewing and/or a signature. Family Access is part of our student data system. Each account is private and viewable only to those who have approved credentials and a login and password. For the protection of our students, this cannot be done over the phone

- **Setting up a Family Access Account:** In order to set up an account for Family Access, you will need to have an email in your child(rens) records in the data system. This is typically added when you enrolled your child(ren) in school but can become outdated over time. Follow these steps to get connected:
- If you have not provided an email, please contact your child(rens) school office and provide them with parent/guardian email addresses.
- If you have an email but do not have your login information or you need to create an account, go to <https://www.ms25.org/o/district/page/skyward-family-access--38> and choose Family/Student login under the resource column.
- Click on the "forgot username or password" link and follow the steps.
- You can also connect to the Family Access App once you have an established account. Search "Family Access" on your smart phone App store.

PAY ONLINE

Marysville School District's Point of Sale system has made it easy for families to pay for lunches, field trips, fines etc. without a transaction fee. This system is called Touch-Base and utilizes the same login as assigned to you for Skyward Family Access.

The login page may be found at: <http://payments.ms25.org/>

If you need help with your login, please feel free to contact our office.

Dogs at School?

Please do not bring your dog to school when picking up your students. Only certified service animals are permitted on District properties.

Report It!

SafeSCHOOLS Alert reporting system lets students, staff & parents confidentially report safety concerns, including bullying, weapons & threats of violence.

MSD Online Donation Site

The new online system makes it more convenient for those who wish to donate to their school, program, or District.

Donations that come in are typically earmarked for a specific purpose. Schools may receive donations to help cover the cost of a field trip for a child, a special project, or to meet the needs of a classroom.

The District often receives anonymous donations for children needing assistance with clothing, shoes, school supplies, fees, or other special purposes.

Click [HERE](#) to view the new site.

Health Room News and Information

The health room is in desperate need of children's pants and sweatshirts. If you have any used clothing you would like to donate, please drop them off at the office.

If your child has borrowed clothing, please have them return them .

Thank you kindly,
Mrs. Nemra

DO YOU WANT TO VOLUNTEER?

Volunteers must complete their volunteer packet, including criminal background check (every 2 years). Volunteer applications are available online - click [HERE](#).

There is an email set up for volunteers to send in their application (volunteer@msd25.org).

Student Conduct

The Marysville School District acknowledges that conduct and behavior is closely associated to learning. An effective instructional program requires a wholesome and orderly school environment. The district requires that each student adhere to the rules of conduct and submit to corrective action taken as a result of conduct violations. The rules of conduct are applicable during the school day as well as during any school activity conducted on or off campus. Special rules are also applicable while riding on a school bus.

A copy of Policy 3240 "Student Conduct Expectations and Reasonable Sanctions" is available online at www.msd25.org or at the District Office: 4220 80th Street NE, Marysville, WA, 360-965-0000.

Lost And Found

Lost and found items can be found in the gym. All lost & found items will be packed up the end of each month. All goods go to the Good Will on the last day of the month.
