February 2024

From the Principal:

Hello Pinewood Families!

Welcome to our February newsletter! I hope this edition finds you in good health and high spirits. As we embark on the month of love, we want to extend our gratitude to all families for your continued support and engagement with our school community.

As we prioritize the safety and well-being of our students, we want to remind everyone about the importance of communicating transportation plans before the start of each school day.

Emergencies can occur unexpectedly, and it's crucial for us to know how your child will be going home at the end of the day. Whether it's through bus transportation, walking, carpool, or any other means, having a clear plan ensures a smooth dismissal process.

If there are any changes to your child's usual transportation arrangements for the day, kindly inform the school office before 3:00 pm. While we strive to accommodate last-minute changes, we cannot guarantee that messages received after this time will be effectively communicated to your child.

Attendance Matters: Every Day Counts!

February is an excellent time to remind everyone of the importance of regular attendance. Attending school regularly is crucial for your child's academic success and lays the foundation for a strong work ethic later in life. When students are absent, they miss out on valuable instruction time and may struggle to keep up with their peers.

Tips for Improving Attendance:

WHEN A STUDENT MISSES 2 DAYS A MONTH.....	WHEN A STUDENT MISSES 4 DAYS A MONTH.....
They will miss 20 days a year.	They will miss 40 days a year.
They will miss 30 hours of math over the school year.	They will miss 60 hours of math over the school year.
They will miss 60 hours of Reading & writing over the school year.	They will miss 120 hours of reading & writing over the school year.
They will miss over 1 year of school by graduation.	They will miss over 2 years of school by graduation.

- Establish a Routine: Set a consistent bedtime and morning routine to ensure your child is well-rested and ready for school each day.

- Communicate: If your child is unable to attend school due to illness or other reasons, please notify the school as soon as possible. Open communication helps us support your child's educational journey.

- Celebrate Success: Acknowledge and celebrate your child's achievements, both big and small. Positive reinforcement can boost their confidence and enthusiasm for learning.

Remember, every day your child is present at school is a day invested in their future success. Let's work together to ensure that every child has the opportunity to thrive academically, socially, and emotionally.

Thank you for your continued partnership in your child's education!

Warm regards,

Twila Hammontree-Principal

Counselor Corner February 2024

Greetings from Pinewood's school counseling office.

In February **I continue to teach personal safety lessons to all 4th grade students.** No matter what grade your student is in, **you** are the most important person to teach your child about personal safety. I like the resource, [Hot Chocolate Talks](#), which offers talking points families can use to keep kids safe.

A different topic that has come up frequently with families this month is setting healthy limits on screen time. Setting healthy boundaries around technology is one of our most important jobs as parents and educators!

One helpful resource comes from Common Sense Media.

[This is their family technology planner to use with kids 2-8.](#)
[Here is another one for students ages 9-12.](#)

As always, please let me know if you need any resources from the community like food and clothing, or if you would like to connect with me about your student. I am at 360.965.1366 or martha_porteous@msd25.org

ABSENCES and TARDIES

Please call the ATTENDANCE LINE at 360.965.1301

If your student will be absent or late arriving to school for any reason, please call the attendance line. If not answered this line goes directly to voice mail, which makes it available 24 hours per day, 7 days per week. When you know in advance that your child has a medical or dental appointment that will keep them out of school or arrive to school late, leave a message at this line. We are able to take the information in advance. If you do not leave a message and your child is not at school, an automated call will go out to attempt contacting you to ensure that your child is safe. Your child will be marked unexcused if contact is not made..

Please help us by calling in by 9:00 am. When your child is absent, please call or send a note with your child to excuse the absence within 3 days. Pre-arranged absences for family reasons need prior approval by the principal, provided that the absence will not adversely affect your child's progress in school. Absence approval forms are available in the school office. If your child arrives at 9:25 or later, please check in at the office for a tardy slip to minimize disturbance in the classroom.

How Does Your Child Go Home?

There may be days when your child is uncertain of the manner by which they are expected to leave school. Some days a child may be picked up by a parent or other adult and other days they may ride the bus or walk. This may cause some confusion especially as we see the change of weather. Please help your child know in advance what is expected of them at the end of the school day. It may be a good idea to create a plan with your child, reinforcing each morning how they are to get home. Of course, emergencies do happen. When the plan changes during the day, the office is happy to send a parent message to the student by 3:00 PM. Our goal is to ensure that your child returns home safely and as quickly as possible.

Student Messages

We are receiving many messages for students concerning end of the day plans. In order to avoid interruption of instructional time, we ask that plans for after school be discussed before school each day. Please keep end of the day messages for emergency changes only!

According to the National Education Association, "Ongoing research shows that family engagement in school improves student achievement, reduces absenteeism, and restores parents' confidence in their children's education. Students with involved parents or other caregivers earn higher grades and test scores, have better social skills, and show improved behavior." "Remember, you are your child's first teacher." "No school can work well for children if parents and teachers do not act in partnership on behalf of the children's best interests"

Just a friendly reminder.....

Watch for more students walking to and from school.

-do not block driveways

- do not drive on wrong side of the road to enter school parking lot.

- be mindful of crosswalks and speed in the school zone.

Thank you!

Family Access in Skyward (<http://family.marysville.wa-k12.net>)

Family Access is a great way for parents and guardians to access your child's grades, view attendance, discipline, meal account activity, and update your personal information such as phone numbers or emergency contacts. In some cases, the district will post forms in Family Access that require viewing and/or a signature. Family Access is part of our student data system. Each account is private and viewable only to those who have approved credentials and a login and password. For the protection of our students, this cannot be done over the phone

- **Setting up a Family Access Account:** In order to set up an account for Family Access, you will need to have an email in your child(rens) records in the data system. This is typically added when you enrolled your child(ren) in school but can become outdated over time. Follow these steps to get connected:
- If you have not provided an email, please contact your child(rens) school office and provide them with parent/guardian email addresses.
- If you have an email but do not have your login information or you need to create an account, go to <https://www.ms25.org/o/district/page/skyward-family-access--38> and choose Family/Student login under the resource column.
- Click on the "forgot username or password" link and follow the steps.
- You can also connect to the Family Access App once you have an established account. Search "Family Access" on your smart phone App store.

PAY ONLINE

Marysville School District's Point of Sale system has made it easy for families to pay for lunches, field trips, fines etc. without a transaction fee. This system is called Touch-Base and utilizes the same login as assigned to you for Skyward Family Access.

The login page may be found at: <http://payments.ms25.org/>

If you need help with your login, please feel free to contact our office.

Dogs at School?

Please do not bring your dog to school when picking up your students. Only certified service animals are permitted on District properties.

MSD Online Donation Site

The new online system makes it more convenient for those who wish to donate to their school, program, or District.

Donations that come in are typically earmarked for a specific purpose. Schools may receive donations to help cover the cost of a field trip for a child, a special project, or to meet the needs of a classroom.

The District often receives anonymous donations for children needing assistance with clothing, shoes, school supplies, fees, or other special purposes.

Health Room News and Information

The health room is in desperate need of children's pants and sweatshirts. If you have any used clothing you would like to donate, please drop them off at the office.

If your child has borrowed clothing, please have them return them .
