April 2024

From the Principal:

Hello Pinewood Families,

Welcome to the April edition of our elementary school newsletter! As we transition into spring, our school continues to buzz with excitement and learning. We are incredibly proud of their accomplishments and look forward to celebrating their achievements throughout this month.

Upcoming Events:

We have lots of field trips and events coming up in the next few months.

Grades 3-5: As the upcoming Smarter Balanced Assessment approaches, we want to highlight its significance in understanding your child's academic progress. This adaptive test will provide valuable insights into their proficiency in English language arts/literacy and mathematics, aligning with Common Core State Standards. While it's just one measure of their abilities, it helps us tailor support and resources to meet their individual needs, ensuring their continued growth and success in education. Thank you for your continued support in your child's learning journey. Testing will begin May 6 and continue throughout the month of May.

Be Your Best:

We have been celebrating students who demonstrate Be Your Best character traits. Each class/teacher nominates a few students who have demonstrated the month's positive character trait. This month our focused character trait is honesty.

Attendance:

At Pinewood we know that attendance in school is very important. Each month we are celebrating students who have perfect attendance. Each day absent is a missed opportunity for your child to learn something they will need to understand more difficult material later. Students who miss 18 days (excused or unexcused) are less proficient in reading, writing, and math compared to their peers with good attendance.
#EverydayAllday

Reminders:

- Please ensure that your child arrives at school on time each day, ready to learn.
- Please use the entire drop off lane when dropping off students. 7-9 cars at a time should be unloading.
- Car pick up is on the north side of the building

Thank you for your continued support and partnership in your child's education. Together, we can inspire and empower our students to grow into knowledgeable, responsible, compassionate and resilient individuals.

Warm regards,

Twila Hammontree
Principal

Counselor Corner April 2024

Greetings from Pinewood's school counseling office.

In April we celebrate the character trait of honesty at school. Did you know that telling students the *George Washington* legend about cutting down the cherry tree helps kids stay more honest than sharing the *Boy Who Cried Wolf* story? It is true! Psychologists say that this is because when children feel that their honesty is met with gratitude (*I'm glad you told me, your honesty means a lot to me*) they have an easier time being honest. Children who feel their lies meet with social scrutiny (*no one is going to believe you if you keep telling lies*) actually become better at lying and deception.

As always, please let me know if you need any resources from the community like food or clothing, or if you would like to connect with me about your student. I am at 360.965.1366 or martha_porteous@msd25.org

I hope you have a wonderful month and enjoy our wonderful rainy Washington spring.

ABSENCES and TARDIES

Please call the ATTENDANCE LINE at 360.965.1301

If your student will be absent or late arriving to school for any reason, please call the attendance line. If not answered this line goes directly to voice mail, which makes it available 24 hours per day, 7 days per week. When you know in advance that your child has a medical or dental appointment that will keep them out of school or arrive to school late, leave a message at this line. We are able to take the information in advance. If you do not leave a message and your child is not at school, an automated call will go out to attempt contacting you to ensure that your child is safe. Your child will be marked unexcused if contact is not made..

Please help us by calling in by 9:00 am. When your child is absent, please call or send a note with your child to excuse the absence within 3 days. Pre-arranged absences for family reasons need prior approval by the principal, provided that the absence will not adversely affect your child's progress in school. Absence approval forms are available in the school office. If your child arrives at 9:25 or later, please check in at the office for a tardy slip to minimize disturbance in the classroom.

How Does Your Child Go Home?

There may be days when your child is uncertain of the manner by which they are expected to leave school.

Some days a child may be picked up by a parent or other adult and other days they may ride the bus or walk. This may cause some confusion especially as we see the change of weather . Please help your child know in advance what is expected of them at the end of the school day. It may be a good idea to create a plan with your child, reinforcing each morning how they are to get home. Of course, emergencies do happen.

When the plan changes during the day, the office is happy to send a parent message to the student by 3:00 PM. Our goal is to ensure that your child returns home safely and as quickly as possible.

Student Messages

We are receiving many messages for students concerning end of the day plans. In order to avoid interruption of instructional time, we ask that plans for after school be discussed before school each day. Please keep end of the day messages for emergency changes only!

- Establish a Routine: Set a consistent bedtime and morning routine to ensure your child is well-rested and ready for school each day.
- Communicate: If your child is unable to attend school due to illness or other reasons, please notify the school as soon as possible. Open communication helps us support your child's educational journey.
- Celebrate Success: Acknowledge and celebrate your child's achievements, both big and small. Positive reinforcement can boost their confidence and enthusiasm for learning.

Remember, every day your child is present at school is a day invested in their future success. Let's work together to ensure that every child has the opportunity to thrive academically, socially, and emotionally.

Family Access in Skyward (<http://family.marysville.wa-k12.net>)

Family Access is a great way for parents and guardians to access your child's grades, view attendance, discipline, meal account activity, and update your personal information such as phone numbers or emergency contacts. In some cases, the district will post forms in Family Access that require viewing and/or a signature. Family Access is part of our student data system. Each account is private and viewable only to those who have approved credentials and a login and password. For the protection of our students, this cannot be done over the phone

- **Setting up a Family Access Account:** In order to set up an account for Family Access, you will need to have an email in your child(rens) records in the data system. This is typically added when you enrolled your child(ren) in school but can become outdated over time. Follow these steps to get connected:
- If you have not provided an email, please contact your child(rens) school office and provide them with parent/guardian email addresses.
- If you have an email but do not have your login information or you need to create an account, go to <https://www.ms25.org/o/district/page/skyward-family-access--38> and choose Family/Student login under the resource column.
- Click on the "forgot username or password" link and follow the steps.
- You can also connect to the Family Access App once you have an established account. Search "Family Access" on your smart phone App store.
