

Please join us and add a little TLC to Shoultes campus. Many hands make light work.

Our focus will be:

- 1) Picking up trash.
- 2) Weeding and edging around walkways and playgrounds.
- 3) Pressure washing playgrounds, walkways, and walls where needed.
- 4) Bonus: if anybody has multiple colors of paint that can be used to spruce up the United States map on the back playground.

If you can, bring your own:

- Weed wacker or edger
- Pressure washer + extension cords & hose (if needed)
- Garden gloves
- Multiple colors of paint for United States map

Items that will be supplied:

- Disposable gloves
- Trash bags
- 150 ft hose x 2
