Hello Phoenix Families,

As we enter the second semester I hope this message finds you well. The safety of our students is our top priority, and we want to take a moment to emphasize the importance of pickup/drop off and school bus safety.

As we navigate the daily routines of transporting students to and from school, it is crucial that we all work together to ensure a safe and secure environment.

Here are a few key reminders:

Totem Middle School pick up/drop off zone is on the 7th street side of campus. The 8th street side is reserved for **BUSSES ONLY**. If you come to get your child please let them know pickup is on the flagpole side of campus.

Remind your child of the importance of following all bus rules. These rules are in place to protect everyone on board. Emphasize the significance of staying seated, using quiet voices, and following the instructions of the bus driver.

If your child experiences any issues on the bus, encourage them to communicate openly with the bus driver. Likewise, we urge parents to inform us of any concerns or incidents promptly.

Encourage students to arrive at the bus stop a few minutes early in the mornings and to travel directly to the bus zone at the end of the school day. This helps ensure that the bus can maintain its schedule. Remind students to stand back from the curb and wait until the bus comes to a complete stop before approaching or departing.

By working together and reinforcing these safety measures, we can create a secure environment for our students during their daily commute. We appreciate your cooperation and dedication to ensuring the well-being of our school community.

If you have any questions or concerns, please feel free to reach out to the school office. Thank you for your commitment to bus safety.

XELLO IS HERE

HIGH SCHOOL & BEYOND PLANNING FOR EVERY
MARYSVILLE STUDENT GRADES 6-12

WHAT IS IT?

Xello is an engaging, fun-to-use software students can access online, even from their phones. It helps them create their very own, unique roadmap for future success in career and college planning.

BUILD SELF KNOWLEDGE

Through a series of interactive assessments, your child uncovers their unique interests and skills. Assessments are scientifically valid, reliable, and student-friendly.

EXPLORE OPTIONS

Students explore thousands of careers, schools, and majors. From interviews with professionals to campus demographics, the information is presented in an engaging, informative way.

CREATE A PLAN

Your child can create dynamic, actionable plans that outline the steps needed to achieve school, career, and life goals. Xello is there every step of the way. You can see their progress in Xello if you join!

JOIN US: WATCH FOR YOUR INVITATION OCTOBER 1st

You will receive a *Welcome to Xello!* activation email to the address that we have on file. Once you click Activate Account, you will be redirected to Xello and asked to create a password. This will grant you access to view your student's progress and demo lessons.

XELLO ESTÁ AQUÍ

ESCUELA SECUNDARIA Y MÁS ALLÁ DE LA
PLANIFICACIÓN PARA CADA ESTUDIANTE DE MARYSVILLE
GRADOS 6-12

¿QUÉ ES?

Xello es un software atractivo y divertido de usar al que los estudiantes pueden acceder en línea, incluso desde sus teléfonos. Les ayuda a crear su propia hoja de ruta única para el éxito futuro en la planificación profesional y universitaria.

CONSTRUYE CONOCIMIENTO PROPIO

A través de una serie de evaluaciones interactivas, su hijo descubre sus intereses y habilidades únicos. Las evaluaciones son científicamente válidas, confiables y fáciles de usar para los estudiantes.

EXPLORE LAS OPCIONES

Los estudiantes exploran miles de carreras, escuelas y especializaciones. Desde entrevistas con profesionales hasta datos demográficos del campus, la información se presenta de forma atractiva e informativa.

CREE UN PLAN

Su hijo puede crear planes dinámicos y prácticos que describan los pasos necesarios para lograr las metas escolares, profesionales y de vida. Xello está ahí en cada paso del camino. ¡Podrás ver su progreso en Xello si te unes!

ESPERA TU INVITACIÓN EL 1 DE NOVIEMBRE

¡Recibirás una *Bienvenida a Xello!* correo electrónico de activación a la dirección que tenemos registrada. Una vez que haga clic en Activar cuenta, será redirigido a Xello y se le pedirá que cree una contraseña. Esto le otorgará acceso para ver el progreso de su estudiante y las lecciones de demostración. Updated Bus Pass Procedure

Starting January 2, 2024 the following bus pass procedure will be in place:

Please send a written note or email from the guardian's email address to the school with your student's full name, bus number they will be riding and with who they are riding with. We will also accept a phone call but it must be from the guardian's phone number we have documented in Skyward which office staff will use to verify. This is for safety and security reasons.

We request that all bus pass requests be submitted prior to lunch time in order to get it processed and delivered to your student before dismissal.

Thank you so much for your help in keeping our students safe!

As part of the Marysville School District's ongoing efforts to improve safety and security in our schools, we have installed "video doorbells" at our school entrances. Also called a buzzer system, a video doorbell is a connected camera at the school office entrance that notifies school officials when someone requests entry into the building.

The new entry system will change how parents, guardians, guests, and visitors access the school during regular school hours when children are present. In addition to the continuation of all exterior doors being locked, the school's front door will also be locked, and those requesting entry will be checking in using the new system.

During the times before and after school when many students enter and exit the building under adult staff supervision, the front door access will be open but locked when school is in session.

The video doorbell systems installed at schools across the district are funded from a past voter-approved capital levy.

If you have any questions about the safety and security of our schools or the video doorbell systems, please contact Greg Dennis, Director of Safety and Security, at greg_dennis@msd25.org or call (360) 965-0076.

Video Doorbells Installed at Schools Across the District

Hello families!

Welcome to Winter! Is your student prepared for cold weather?

Winter is here! With cold weather comes the need for warmer clothes, jackets and shoes. If you need help providing the appropriate winter clothing for your student please call your school office for assistance.

KEEP SICK KIDS HOME!

We are seeing an uptick of Covid, flu, cold and RSV cases.

If your student has any of the following symptoms, please keep them home (and get tested or call your doctor):

- Fever
- Sore throat
- New or worsening cough
- Ear pain
- Vomiting
- Diarrhea
- OR
- Unusually tired, pale, lack of appetite, or difference in appearance or behavior

** A positive Covid test requires 5 days of isolation, then your student can return to class (mask is optional, but preferred if there is a cough). Please let Totem attendance know if your student is ill.

Medication Safety!

Please make sure your medications are stored properly and locked up and away from children who could misuse them or share them with others.

Calling all 6th graders!

Please check to see if your student has up-to-date immunizations. If you have a 6th grader this year, they are required to have a Tdap booster before starting 7th grade. A quick call to your care provider will tell you if they require any more immunizations. If you have any questions, please call the Totem Health Room at 360-965-0510.

Here's to a great second semester!
