

# APRIL 5, 2024

## PRINCIPAL'S CORNER

We've had some real New England weather these last few weeks, warm and sunny, cool and rainy, cold and snowy. Hopefully, now the worst has passed, and the forecast is looking more spring-like. (60 degrees on Monday!) The students and teachers will have a chance to get outside for more of their learning.

Conferences that were scheduled for Wednesday, April 3<sup>rd</sup> and Thursday, April 4<sup>th</sup>, will be rescheduled to next Wednesday, April 10<sup>th</sup>, and Thursday, April 11<sup>th</sup>. Wednesday will be a full day of school, and next Thursday, April 11<sup>th</sup>, will be a 12:30pm release to accommodate conferences. Please call Laurie if the new date doesn't work for your schedule. The second session of the ELA MCAS tests will also be moved to next Wednesday. We'll find time for students who were absent for the MCAS this week to make it up next week as well. This is a quick reminder that parents and guardians are invited to visit the classrooms, both inside and outside, to observe and/or participate in what their student's class is doing. Just check with your child's teachers to arrange a mutually convenient time.

Monday's eclipse should be an exciting event, please remind your students (we will too) that they should not look directly at the eclipse without solar viewing glasses. Everyone at school will be getting a pair.

Don't forget, the Spaghetti Supper is on Thursday, April 25<sup>th</sup>. It's eat-in or take-out, and the money raised supports the 5/6 class trips. I hope you can join us.

With the additional snow day, our last day of school is now Tuesday, June 18<sup>th</sup>. We'll nail down a date for graduation by next week.

## COMING SOON!

Spaghetti Supper to support the 5/6 trip to Nature's classroom will be on Thursday, April 25<sup>th</sup> from 5:30pm-7:00pm

Be on the lookout for 5<sup>th</sup> and 6<sup>th</sup> graders selling tickets or call the school.
