2028-29	117	136	164	113	133	663

Projections assume no changes in method of assigning students to schools. District projections are more reliable than School-by-School projections due to larger numbers of students in the cohort ("N"). SBS totals may differ slightly from District projections due to rounding of numbers. District and SBS projections are more reliable for Years 1-5 and less reliable in the "out-years."
