## **PHILOSOPHY OF EDUCATION PREAMBLE:**

Recognizing that the future of America depends upon an informed and educated citizenry; and acknowledging that it is the responsibility of the public schools to provide the opportunity to acquire knowledge, to inspire learning, and to foster personal responsibility in the young people entrusted to them, the Mobridge-Pollock Board of Education sets forth the following statement of philosophy.

## **STATEMENT OF PHILOSOPHY:**

The primary function of the Mobridge-Pollock Public School System is to promote the well-rounded and continuous growth of its youth into effective citizens in a democratic society. To attain this goal the school shall endeavor to provide a suitable environment for helpful guidance, training, and experiences which will assist each student to become better adjusted in his/her family, social, and business relationships, concerned for his/her own welfare and the welfare of others, open-minded on controversial issues, trained in work habits, skills, and logical reasoning, and prepared for profitable and gratifying use of leisure time. Furthermore, the school shall endeavor to provide for the physical and moral well-being of each student. Finally, the school shall cooperate with the home, church, and other community forces to build the educative experience of its youth.

***(Teacher supervision of the playground will begin at 7:55 am. Parents are requested not to send students to school before this time, unless they are eating breakfast.)***

## **ABSENCES AND EXCUSES**

If a child is absent, the parents are requested to notify the school immediately. If a parent feels that it is necessary for a child to be absent for a reason other than illness, arrangements should be made with the teacher/principal in advance. The student should assume the responsibility for making up all the work missed during the absence. If the school is not contacted, the student will be marked as an unexcused absence. Students will not be excused from class for a part of the day without notification from a parent.

Students are allowed six (6) absences per year. All absences will be counted as part of the 6 days. An absence will be considered excused if the office is notified. However, it is still counted toward the 6 days unless it is a medical excused absence. When a student exceeds six days of absenteeism, a letter from the office may be sent home expressing the concern. If absences continue the school procedures/consequences may include: attendance review team meeting, a 2<sup>nd</sup> letter may be sent, and/or a referral to the Walworth County States Attorney. Excessive absences or 2 days of unexcused absences will be considered truancy and will result in a referral to legal authorities.

**TARDINESS:** All children are expected to be on time and parents are asked to cooperate fully in this matter. Tardiness is defined as failure to be in the assigned room at the time of the starting bell (8:20 am). Students are allowed 10 tardies per year. All tardies will be counted as part of the 10 times. When a student exceeds ten tardies, a letter from the office will be sent home expressing the concern. If the tardiness continues the procedures/consequences may include making up missed time after school, parent notification, or a parent review team meeting.

## **HOMEWORK**

If your child is ill and you desire homework, a call should be placed to the school by 9:00am. This will allow the teacher's time to list the assignments due, as they are given. The homework can then be picked up at the end of the school day. Students may pre-arrange to remain after school or to come in early to work on projects, to make up work, or to get extra help. They should arrange this in advance with teacher and parents. Students have 2 days to make up work without loss of points. Teachers will make every effort to not assign homework on Wednesday evenings.

## **VISITORS**

School age visitors are not allowed in classes without permission from administration. Adult visitors must sign in at the office and wear a school district visitor pass.

## **ATTENDANCE**

The importance of regular attendance cannot be overemphasized! A child should be in school every day that he/she is physically able. The law requires that a child shall attend school regularly during the entire school year. If a student is frequently absent for other than health reasons, appropriate authorities will be notified. No child can be expected to successfully do his/her classroom work if attendance is irregular.

## CURRICULUM

Reading, language arts, mathematics, social studies, science, computer, music, art and physical education are included for every grade level. Our content standards are available to you online through our website. Feel free to visit the principal's office with questions regarding your child's curriculum. On average students in grade K-2 have approximately 100 min per day of Reading/ Language Arts, 90 min per day of Mathematics, 30 min of Science or Social Studies. Students have 60 min per week of Music, PE, and Art along with 30 min of Library. Students also work on computer software for 30 min per day. K-2 students utilize the Successmaker and DreamBox software.

All address and telephone number changes must be reported immediately to the school office. The changes are needed in case of emergencies or child's illness. All information is kept confidential.

Throwing snowballs on school grounds is dangerous and will not be allowed. Students who bring personal items to school (toys, games, balls) do so at their own risk. The school is not responsible for lost, stolen, or damaged items. Failure to follow appropriate safety rules may result in loss of privilege.

## REPORTING TO PARENTS

Report cards will be sent home with the children after the end of each quarter. The End of the Year report card will be sent home with students. It is recommended that the parents carefully go over the report card with children, giving encouragement where needed and praise where deserved.

Complete information on the packages will be sent home with the children prior to the school picture dates. The packages will be sold on a **prepay** basis. The student will be required to bring the payment on or before the day that the pictures are taken. "Retake" policy is at the discretion of the photographer.

## SCHOOL PROPERTY

The child should develop a sense of responsibility and respect for public property. Any damage to school property may be charged to the student causing the damage. Children should take special care of their textbooks.

## SCHOOL SUPPLIES

Each school has a supply list by grade level. The teachers may request additional materials during the year.

## SEASON ACTIVITY TICKETS

Students will have a free activity pass for all home events. Parents are encouraged to have their child sit with them at such events so that the child remains under the direct supervision of the parent. Students are reminded that their attendance at high school activities depends on conduct and their ability to handle their independence when not sitting with a parent.

Students should:

1. Attend with parents or sit in specified section for students.
2. Show respect for others who are trying to watch the game/activity.
3. Reserve visits to the concession stand to between games or at half time.
4. Refrain from running around.

## HEALTH SAFEGUARDS

Immunizations are required by state law. To protect the health of all children and to check contagion, the cooperation of all parents is requested. If the child has a contagious disease, please inform the school office as soon as possible. Parents are urged to keep the child at home if there are indications of illness. Students who have a fever or serious sore throat will be sent home until fully recovered. We will follow the guidelines for communicable diseases. The guideline may be found at the following on line webpage:

<http://doh.sd.gov/diseases/assets/SchoolExclusion.pdf>

If you do not have access to the internet please ask the office for a copy of the guidelines.

In case of an accident at school, emergency first aid will be administered and parents will be notified. The school must have the telephone number or places of employment of parents who are employed outside the home so parents can be notified if a child is ill. If parents cannot be contacted, the emergency person listed on the enrollment card will be called.

If there is special information concerning the health of the child such as a heart condition, diabetes, asthma, etc. the office and teacher should be informed. An explanation should be in writing and delivered to the office.

## MEDICATIONS

The presence of medicines on school property and/or taking of medicine by students during school hours must

be carefully monitored to prevent harmful situations to students. Whenever possible, students are encouraged to receive medicines outside of school hours. In cases where medicine must be taken during the student's time at school, the following procedures are to be followed: 1) All medicines must be brought to the administrative offices of the school and placed in the custody of the Secretary. 2) Prescription medicine is to be stored in a locked cabinet or storage area. 3) Any medication to be administered to a student during school hours must be ordered by a physician. The form must be completed and signed and dated by a physician and parent. 4) All medications must accompany an Authorization for Medication Form. 5) The prescription medication to be administered or stored must be in a pharmacist's labeled container specifying the student's name, date of prescription, directions for use and prescribing physician's name. 6) A record of all prescribed medications given to all students must be kept. Medications not picked up will be destroyed. ***Students in grades K-2 MAY NOT self-administer any medication (over the counter or prescription).***

## LICE

If a child is found to be positive for head lice, the child will be sent home from school. The child can return to school after they have been treated for head lice. Please send a note to school with child or call the school to inform them of when a child was treated. If a child is found to be positive for eggs/nits the parents/guardians will be notified and the child may be sent home. The school will continue to periodically check students for head lice and eggs/nits. If a child is positive for eggs/nits 3 checks in a row, the parents will need to take their child to the Community Health Nurse each day before school starts until the Nurse along with the Principal deem it unnecessary.

If child has been exposed to head lice, check their head every few days for 3-4 weeks to make sure they are not infested. Please inform the school, and/or daycare and parents of your child's playmates if you discover head lice on your child.

## HEARING & VISION SCREENINGS

### **SCHOOL VISITATION**

Parents are encouraged to visit their child's classroom. Visitors who wish to confer with a teacher are asked to arrange for an appointment at a time outside regular class hours. **All visitors are asked to report to the principal's office before going to the classroom and need to wear a school district visitor pass.**

### **HARASSMENT POLICY**

It is the policy of the Mobridge-Pollock School District that sexual harassment is unacceptable and shall not be tolerated and that no member of the School District community may sexually harass another. Any employee or student will be subject to disciplinary action for violation of this policy. All reported incidents will be thoroughly investigated and, if well founded, subject to immediate and appropriate disciplinary action including termination and or, suspension or recommendation for expulsion.

Sexual harassment is herein defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature and constitutes sexual harassment when:

Sexual harassment is illegal under both South Dakota and Federal law. In some cases it may also be liable to prosecution under criminal law. The Board of Education of the Mobridge-Pollock School District has established a non-retaliatory grievance procedure for handling sexual harassment complaints. All reported incidents of sexual harassment will be promptly and thoroughly investigated and all substantiated acts of sexual harassment will result in immediate and appropriate corrective action, including sanctions. Confidentiality consistent with due process will be maintained. The staff, administrators and students of the Mobridge-Pollock School District are responsible for maintaining a working and learning environment free from sexual harassment. ## **PUBLIC COMPLAINTS**

Constructive criticism of the schools will be welcomed by the Board when it is motivated by a sincere desire to improve the quality of the educational program or to equip the schools to do their tasks more effectively.

Whenever a complaint is made directly to the Board as a whole or to an individual Board member, the individual or group involved will be advised to take their concern to the appropriate staff member.

The Board believes that complaints and grievances are best handled and resolved as close to their origin as possible, and that the staff should be given every opportunity to consider the issues and attempt to resolve the problem prior to involvement by the Board.

Therefore, the proper channeling of complaints involving instruction, discipline, or learning materials will be as follows:

1. Teacher
2. Principal
3. Chief Executive Officer (CEO)/Superintendent
4. Board

If a complaint, which was presented to the Board and referred back through the proper channels, is adjusted before it comes back to the Board, a report of the disposition of the matter will be made to the Board and then placed in the official files.

The Board expects the professional staff to receive complaints courteously and to make a proper reply to the complainant. Matters referred to the chief executive officer (CEO)/superintendent and/or Board must be in writing and should be specific in terms of the action desired. Exceptions to this policy will be made when the complaints concern Board actions or Board operations only.

## **COMPLAINT POLICY FOR FEDERAL PROGRAMS**

A parent, student, employee, or district stakeholder who has a complaint regarding the use of federal NCLB funds and is unable to solve the issue, may address the complaint in writing to the district's superintendent.

Parents, guardians, and unaccompanied youth may initiate the dispute resolution process directly at the school they choose, as well as at the district or district's homeless liaison's office. The parent or guardian or unaccompanied youth shall be provided with a written explanation of the school's decision including the rights of the parent, guardian, or youth to appeal the decision. Students should

The parent or guardian or unaccompanied youth shall be provided with a written explanation of the district's decision including the rights of the parent, guardian, or youth to appeal the decision.

### **Policy on Children and Youth in Transition in the Mobridge-Pollock School District**

This school district will ensure that all children and youth receive a free appropriate public education and are given meaningful opportunities to succeed in our schools. This district will also follow the requirements of the McKinney-Vento Act.

Under federal law, children and youth in transition must have access to appropriate public education, including preschool, and be given a full opportunity to meet state and local academic achievement standards. They must be included in state- and district-wide assessments and accountability systems. Our schools will ensure that children and youth in transition are free from discrimination, segregation, and harassment.

Information regarding this policy will be distributed to all students upon enrollment, available on the school web site, provided to students who seek to withdraw from school, and posted in every school in the district, as well as other places where children, youth, and families in transition receive services, including family and youth shelters, soup kitchens, motels, campgrounds, drop-in centers, welfare departments, health departments, and other social service agencies.

### **Family Educational Rights and Privacy Act (FERPA) Notice – Student Directory Information**

The *Family Educational Rights and Privacy Act* (FERPA), a federal law, requires that the Mobridge-

Pollock School District with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, the school may disclose designated "directory information" without written consent, unless you have informed the school that prior written consent is required before disclosing the directory information. The primary purpose of directory information is to allow the school to include this type of information from your child's education records in certain school publications.

**Directory information**, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's, guardian's or eligible student's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require the school to provide military recruiters, upon request, with the names, addresses and telephone listings of the students unless parents or guardians have advised the school that they do not want their student's information disclosed without their prior written consent.

If you do not want the school to disclose directory information from your child's education records without your prior written consent, you must notify the school in writing within thirty (30) days of the beginning of the school year or, if enrolling after the beginning of the school year, within thirty (30) days of enrollment. The school has designated the following information as directory information:

1. Student's name;
2. Address;
3. Telephone listing;
4. Name(s) of Parent(s)

At the end of the 30-day period, each student's records will be appropriately marked by the records custodians to indicate the items the district may designate as directory or website information about that student. This designation will remain in effect until it is modified by the written direction of the student's parent or the student if 18 years of age.

#### Parental Notification School Health Assessments

From time to time during the year, screening may be provided through a contract with the Walworth County Community Health who is subject to the rules and regulations of the Health Insurance Portability and Accountability Act (HIPAA). HIPAA requires that Walworth County Community Health provide access to our Notices of Privacy Practices. You may view the notice at [mobridgehospital.org](http://mobridgehospital.org) and click on privacy policy or you may request a printed copy by contacting us at **845-8127**. Screenings that will be provided during the 2019-20 school year include:

- Vision Screening for students in grades \_\_K, 2<sup>nd</sup>, 3<sup>rd</sup>, 5<sup>th</sup>, 8<sup>th</sup>\_\_

Abnormal curvature of the spine is usually first noticed at the beginning of the adolescent growth spurt. Often early detection and appropriate treatment can prevent progression. The screening procedure takes about 30 seconds and does require the student to remove his/her shirt or blouse in order that the Community Health Nurse can visually observe the spine.

Parents will be notified of any concerns identified during the health screenings so the child can be further evaluated by the provider of the parent's choice. If you prefer not to have your child participate in the screenings, please notify your school personnel. If you would like more information regarding the health screenings, you are welcome to call the Community Health Office Shana Friesz, RN Community Health Number 845-8127 Tim Frederick, School Administrator 845-9204
