

Letter of Recommendation for FwdBound : An Internship in Human Services

The Arc of Delaware County (Delarc) offers a paid internship to students ages 15-18. The mission of Delarc is to support people with developmental disabilities live personally fulfilling lives. _____ (name of student) has applied for this paid internship and we would love your thoughts on the following:

In what capacity do you know this student?

What can you tell us about this student's reliability and dedication to doing a job well?

If you were hosting a paid intern in your organization, would you invite this student to be that intern?
