New this year – Early Mail Voting

Early Mail Voting is an extension of the absentee ballot voting procedures. Voters no longer need to qualify for one of the absentee ballot categories to vote by mail. The ability to vote by mail is now extended to all qualified voters.

Voters may request an early mail ballot in writing or in person at the office of the District Clerk, Jeannie Langdon. This request must be received no earlier than thirty (30) days before the election.

The application must be received by the district clerk at least seven (7) days before the election if the ballot is mailed to the voter, or the day before the election if the ballot is delivered personally to the voter.
