* October 16, 2023**

TITLE I SERVICES

2023-24

- Grades K-5:
 - K-3 are taught in a fully integrated co-teaching model for all subjects
 - 4-5 are taught with one teacher teaching ELA and Social Studies and another teaching Math and science.
 - ELA has a reading specialist that pushes in for all of the ELA time and AIS period
 - Math has a teaching assistant that pushes in for instruction and AIS time.
- During Reading and Math classes
 - Students are broken into small groups based on ability
 - Groups work on specific skills based on data
 - Can be on a remedial bases or enrichment
 - Students identified as higher need can receive an additional period of 1 to 1 attention on a specific skill to close a learning gap.

TITLE I SERVICES 2023-24

Grades 6-12

6th, 7th, 8th & algebra classes have an additional 40 minute learning lab every other day for small group work where:

Students are broken into small groups based on ability

- Groups work on specific skills based on data
- Can be on a remedial bases or enrichment
- Students are identified by performance and placed

For ELA we have a teacher or teacher assistant pushing into classes to assist students

In addition: students scoring a 1 or 2 on state ELA assessments or scoring below an 80 in English or SS are assigned a learning lab.

Groups work on specific skills based on data
