POSITION OPENING VARSITY FOOTBALL HEAD COACH

Required Qualifications:

- Successful coaching experience at the high school level or above.
- HPSD certified professional educators desired but not required. HPSD certified staff will be given first consideration (automatic interview).
- Strong knowledge of football strategies, techniques, and rules.
- Effective leadership and communication skills
- Commitment to fostering a positive and inclusive team culture.
- Meet requirements for a background check and fingerprinting.

Job Requirements, Knowledge, and Skills:

- **Comprehensive Program Management:** Oversee player development, strategic game planning, and maintain alignment with the school's athletic objectives.
- **Player and Team Development:** Enhance player skills and team dynamics, including academic support and off-field character growth. Your role will involve nurturing each player's athletics and personal growth, ensuring they reach their full potential.
- **Commitment to Program Development in the Off-Season:** Conduct dynamic practice sessions and implement successful game strategies while showing a strong dedication to advancing the football program year-round. This includes planning and implementing off-season weight/speed training, personal development programs, staff development, coaching philosophy, and strategy for the upcoming season.
- **Leadership and Communication:** Serve as a mentor, uphold a positive team culture, and ensure effective communication within the football program and school community. Your positive attitude will be crucial in creating a supportive and energetic team environment.

A successful candidate will be able to:

- Elevate athlete performance through expert coaching and mentorship.
- Foster a cohesive, disciplined team environment, balancing athletics with academic achievements.
- Adapt and respond effectively to game situations and team needs.
- Engage positively with the community, enhancing program visibility and support.
- Implement innovative training methodologies and strategies to continuously evolve the program.
- Efficiently manage team resources, including equipment and budget, ensuring optimal utilization for program success.
