## 2023-2024 Annual Education Report

Lori Gensch, Principal

January 2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for K.C. Ling Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Lori Gensch for assistance.

The AER is available for you to review electronically by visiting the following website [https://www.mischooldata.org/annual-education-report-1?Common Locations=1-5,8539,1216,109](https://www.mischooldata.org/annual-education-report-1?Common%20Locations=1-5,8539,1216,109), or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school **has not** been given one of these labels.

At K.C. Ling Elementary, our goal is to help each child progress in their overall development, i.e. socially, emotionally, and academically.

We currently have interventions in place, through a highly structured MTSS program, to support our students that are performing below grade level in reading and math. In an effort to increase our student achievement, the principal and teachers will be actively involved in ongoing professional development, collaborative planning, and an improved teacher observation/evaluation process. Additionally, we will work to enhance our skills in the areas of differentiated instruction, technology integration, intervention strategies, and best teaching practices. K.C. Ling Elementary will continue the use of a school-wide Positive Behavioral Interventions and Supports (PBIS) system, as well as an increased focus on a whole child initiative. With the continued support of our parents and community members, we will achieve our goals.

State law requires that we also report additional information. <TO HAVE THIS LETTER MEET THE STATE REQUIREMENTS, EACH SCHOOL SHOULD PROVIDE A REPORT FOR THE **TWO MOST RECENT YEARS** ON THE FOLLOWING:

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL
2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN
3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL
4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL
5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS
6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

**PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL**

All Grade 1 through 4 students attending Hemlock Public Schools are assigned to K.C. Ling Elementary since there is not another specialized school in the district serving grades 1 through 4. K.C. Ling Elementary is a school that accepts Schools of Choice students that desire a premier alternative option per the application process.

**THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN**

<b>Goals</b>
Goal 1: Increase overall math achievement amongst all sub-groups as measured by state and local assessments.
Teachers and MTSS paraprofessionals will utilize 30-minute intervention blocks to provide tier 2 and tier 3 interventions to address gaps in mathematics understanding.
Goal 2: Increase overall reading achievement by strengthening literacy skills and instructional literacy practices district-wide.
Utilize literacy coaching model to ensure successful implementation of reading strategies and provide professional development on progress monitoring tools and data disaggregation to differentiate instruction.
Teachers and MTSS paraprofessionals will utilize 30-minute intervention blocks to provide tier 2 and tier 3 interventions to address gaps in literacy.

Highly qualified paraprofessionals will provide reading interventions to identified students during 30-minute MTSS reading blocks during the first half of the school day. Paraprofessionals will utilize Orton-Gillingham's multi-sensory strategies to help develop students' ability to become fluent readers.

## A BRIEF DESCRIPTION OF OUR SCHOOL

K.C. Ling Elementary is located in Hemlock, Michigan. It is home to approximately 350 students, first through fourth grade. K.C. Ling Elementary is a targeted assistance Title I school and offers the following programs: Multi-Tiered Systems of Support (MTSS), special education inclusion, peer-to-peer support, before and after school care, tutoring, summer school, robotics, physical education, music, STEAM, library, and nutrition. Student enrollment has steadily increased over the last five years.

## CORE CURRICULUM

K.C. Ling Elementary follows the state-adopted Common Core curriculum. Each grade level has aligned their instruction to the curriculum and created content-specific alignment documents. A copy of the core curriculum may be obtained from the K.C. Ling Elementary office or found at [www.hemlockps.com](http://www.hemlockps.com).
