Dear Parent or Guardian,

In December 2015, the Every Student Succeeds Act (ESSA) was signed into law. Highlights of ESSA include holding all students to high academic standards and ensuring that the lowest performing schools are provided the appropriate supports for school improvement.

The purpose of this letter is to notify you about important information regarding your child's school. The Nevada School Performance Framework (NSPF) is a critical part of the Education Performance System and utilizes a five-star classification approach.

**School Specific Information**

For the 2022-2023 school year, your child's school has been classified as a one star school.

To provide support and meet school and district goals, Delta Charter High School is using allocated Title I funding to hire six student success coordinators, provide teacher training, and purchase instructional software.

Specific information regarding the plan for continuous improvement can be located on the school's website in the School Performance Plan (SPP): A Roadmap to Success.

Sincerely,

Kyle Konold, Ph.D.  
Superintendent
