

Building Disciples of Christ Through Faith-based Education

Yearly Tuition Rates for the 2024-2025 School Year

Members of Emmanuel or Faith Lutheran Churches* \$975

All other Families \$1,380

*To be considered for the member rate, families must be on the church member list, attend regularly and sign in using the registers provided in the pews.

Payment plan options and financial aid are available through FACTS. Our desire is that cost is never an obstacle for a family when choosing Emmanuel-Faith.

There is a FACTS Enrollment fee of \$25 (for one- or two-time payments) or \$55 for monthly payments.

Families interested in financial aid can apply online by visiting <https://online.factsmgt.com/aid>.

There is a \$40 fee to apply for financial aid. If this is an obstacle, please call the school office.

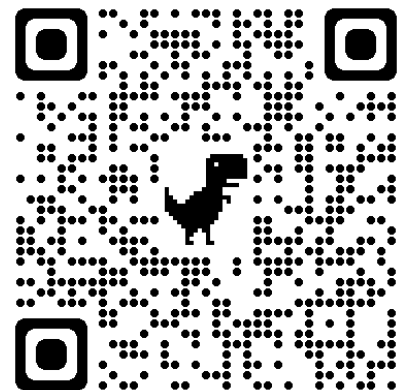

No more paper registrations and applications – we've moved to all Online Application and Enrollment!

Please visit <https://ef-ne.client.renweb.com/oa/?memberid=13370>
or scan the QR Code below to begin the registration process.

You will set up an account, following the instructions on the screen. You will be asked to provide:

- Basic demographic information about your student(s).
- Your church membership status (for the purpose of determining your tuition rate).
- Family and household contact information.
- Answers to a Parent Questionnaire about your child and your decision to attend Emmanuel-Faith.
- Release of records (from previous schools, if applicable).
- Any documents related to custody, special education or a medical diagnosis as necessary. (This is optional, and paper copies can be provided to the school in person).

After you submit your application, the office will review your information and then invite you by email to finish enrolling and set up a payment plan, on or after March 1st. At that time, we will collect more information about your student, their emergency contacts, necessary medical documents, birth certificate, etc. and ask you to select a payment plan for tuition. Applications for Financial Aid are due by June 20th, and once granted, will be applied to reduce or eliminate all scheduled payments.
