To all parents of players of our Westmoreland Baseball program,

I'd like to formally invite you all to our first annual parent/player meeting on Sunday, February 1st, at 6 p.m. in the High School Gymnasium. All parents and players from grades 7-12 are expected to attend. Our Coaching staff would like the opportunity to introduce ourselves, share our backgrounds, share our vision for our program's future, discuss expectations moving forward and opportunities that we will be providing to our players. We have a dedicated staff that's focus is on opportunity, growth, development, professionalism and pride in our program. As someone who has coached at every level from youth Baseball, High School, Collegiate and at the Professional level, the one thing I know that is a constant is it takes all of us together to be successful. Our parents will always be integral to our successes on and off the field. Moving forward, we will continue to stress that we are one Baseball family on and off the field. Our players are not defined by age, grade, level of play...we are one family with a unified goal. Together, with support from our School, our Community, our Parents, our Players and our Coaches, we will create a truly special, positive, excitement-filled environment where we can all come together as one to support the amazing, talented student athletes you all are blessed to call your sons and our Coaches are honored to call our players. Our Coaching Staff is looking forward to seeing you all soon and welcome you all to the new era of Westmoreland Bulldog Baseball!

Thank you all in advance...Go Dawgs!
