PROGRAMS

Eastridge offers a comprehensive high school program with several college preparatory options including Project Lead the Way, Monroe Community College Dual Enrollment courses, and various Advanced Placement courses.

Eastridge is in the process of phasing out the **International Baccalaureate Diploma and Career Certificate Programs**. We currently still offer the following IB courses: IB Environmental Systems, English HL History of the Americas and Personal and Professional Skills.

Programs of study are available in English, World Languages (French, Spanish), History, Science, Math and the Arts, including Dance, Music, and Visual Arts. Courses are offered at the AP, Regents and local levels. All Regents level Earth Science, Biology, Chemistry and Physics courses include an additional laboratory block weekly. Students may begin high school level mathematics and Living Environment Regents in eighth grade. Students are encouraged to take courses at the most challenging level appropriate to their abilities.

Students can take technology and science courses as part of the **PLTW (Project Lead the Way) Program**. These courses are dual college credit bearing and offer pre-engineering and science material

Advanced Placement courses allow students to gain a head start on college level studies. Advanced Placement courses include *Physics, Chemistry, Environmental Science, Pre-Calculus, Calculus, American History, World History, African-American History and English Language*. Eastridge offers several courses with the opportunity to earn **MCC Dual Enrollment** in Business, World Languages, Math and Social Studies. Beginning and advanced level vocational courses are provided through cooperative programs with Monroe One BOCES. Elective programs are also offered in Art, Business, Engineering, Health, Physical Education, Performing Arts and Technology. Electives are offered in both academic and vocational subject areas.

AVID is a college preparatory program and stands for Advancement Via Individual Determination; it is a program designed to help students in the academic middle to enroll and succeed in rigorous coursework, with the eventual goal of attending a four-year college or university.

GRADE INTERPRETATION AND CLASS RANK

All grades are numerical. Class rank is determined under a weighted point system that takes into account the academic level of courses:

- Local and Regents Courses..... No weighting
- Advanced Placement..... 6 points
- International Baccalaureate/PLTW.....6 points

Beginning with the 2024-25 school year, Eastridge High School is phasing in an Outcomes Based Grading System. Grades are based on a 0-4 grading scale. All overall GPAs will be converted to the new grading scale based on the table below.

Students must earn at least a 1.6 or better to pass a course. Music lessons and physical education are not included in the class ranking process. We anticipate terminating class rank for the 2025-2026 school year.

0-64	=	1- 1.5
65-69	=	1.6 - 1.9
70-79	=	2.0 - 2.6
80-89	=	2.7 - 3.3
90-100	=	3.4 - 4.0
