**WHEREAS**, the East Irondequoit Central School District (the “District”) seeks to undertake a district wide construction/renovation project, including, but not limited to:

A variety of interior, exterior, and site improvements, repairs, and upgrades at the following facilities: Helendale Road Primary School, Ivan L. Green Primary School, Laurelton-Pardee Intermediate School, Durand-Eastman Intermediate School, East Irondequoit Middle School, East Ridge Senior High School, and the Transportation Department Building. Attachment A, annexed to the project Environmental Assessment Form (EAF), provides a summary of the proposed actions at each facility. These actions are proposed to correct existing deficiencies, provide necessary maintenance and upgrades, or to develop features that will enhance school operations or student learning experiences.

**WHEREAS**, the State Environmental Quality Review Act (“SEQRA”) and the regulations thereunder require the Board to undertake a review of the potential environmental impacts, if any, associated with the project before approving same; and

**WHEREAS**, this project is a Type I within the meaning of SEQRA; and

**WHEREAS**, on September 3, 2024 a notice was transmitted to all involved agencies of the Board’s desire to act as lead agency with respect to the environmental review of the proposed Project; and

**WHEREAS**, no agency has objected to the designation of the Board as lead agency with respect to the environmental review of the proposed Project; and

**WHEREAS**, 6 NYCRR Section 617.7 requires a lead agency to issue a written determination of significance with respect to any proposed Type I action;

**WHEREAS**, the Board has carefully considered the nature and scope of the proposed Project, as set forth in the Full Environmental Assessment Form prepared with respect to such action, and makes the following determinations:

1. The proposed action includes, but is not limited to:

A variety of interior, exterior, and site improvements, repairs, and upgrades at the following facilities: Helendale Road Primary School, Ivan L. Green Primary School, Laurelton-Pardee Intermediate School, Durand-Eastman Intermediate School, East Irondequoit Middle School, East Ridge Senior High School, and the Transportation Department Building. Attachment A, annexed to the project Environmental Assessment Form (EAF), provides a summary of the proposed actions at each facility. These actions are proposed to correct existing deficiencies, provide necessary maintenance and upgrades, or to develop features that will enhance school operations or student learning experiences.

2. The proposed action is classified under SEQRA as a Type I action within the meaning of 6 NYCRR §617.4.

3. Upon consideration of the action, review of the Full Environmental Assessment Form, the criteria contained in 6 NYCRR 617.7, and all other supporting information, the Board identifies the following relevant areas of environmental concern, as set forth hereafter, and analyzes whether the proposed action may have a significant adverse impact on the environment.

4. The development and use of the property will have a small impact upon land.

5. The proposed development and use of the property will not adversely impact geological features.

6. The proposed development and use of the property will not adversely impact surface water.

7. The proposed development and use of the property will have not adversely impact ground water.
8. The proposed development and use of the property will not adversely impact flooding.
9. The proposed development and use of the property will not adversely impact air.
10. The proposed development and use of the property will have a small impact on plants and animals.
11. The proposed development and use of the property will have a small impact on agricultural resources.
12. The proposed development and use of the property will not adversely impact aesthetic resources.
13. The proposed development and use of the property will not adversely impact historic or archeological resources.
14. The proposed development and use of the property will not adversely impact open space and recreation areas.
15. The proposed development and use of the property will not adversely impact critical environmental areas.
16. The proposed development and use of the property will have not adversely impact transportation.
17. The proposed development and use of the property will not adversely impact energy.
18. The proposed development and use of the property will not adversely impact noise, odor and light.
19. The proposed development and use of the property will not adversely impact human health.
20. The proposed development and use of the property is consistent with community plans.
21. The proposed development and use of the property will not have a significant impact on community character.

**NOW, THEREFORE, BE IT RESOLVED**, that the Board finds and concludes that the proposed action is a Type I within the meaning of 6 NYCRR 617.2(aj); and it is further

**RESOLVED** that the Board hereby declares itself lead agency with respect to the environmental review of the proposed project; and it is further

**RESOLVED**, that upon consideration of the foregoing, the Board finds and concludes that the proposed action will not result in any significant adverse impacts to the environment; and it is further

**RESOLVED**, that the Board hereby issues a Negative Declaration with respect to the proposed action; and it is further

**RESOLVED**, that the Board hereby authorizes and directs the Superintendent or her designee to file this Negative Declaration with the appropriate parties and agencies.
