

## Parent Permission for Vision/Hearing Screening Form

September 11, 2023, and September 12, 2023

Dear Parent/Guardian:

Good vision is essential to your child's learning. Beginning in the 2007-08 school year, it is mandated that the parent or guardian of each student enrolled in kindergarten at a public school in this state shall provide certification to school personnel that the student passed a vision screening within the previous twelve (12) months or during the school year. Students enrolled in first or third grade at a public school in this state shall provide, within thirty (30) days of the beginning of the school year, certification to school personnel that the student passed a vision/hearing screening within the previous twelve (12) months.

A vision/hearing screening will be provided on 9/11/23 and 9/12/23 at Timberlake Elementary and Timberlake High School.

You will be notified of the screening results by the school. **A vision screening does not substitute for a comprehensive eye examination by an eye care practitioner. If you have any concerns about your child's vision, contact an eye care professional about an eye examination.**
