

Youth Team Coaches:

First and foremost, thank you for investing your time and talents into the youth of our community. Below is some general information when looking to request gym time for any of your teams. When making the request, please specify which level you will be using it for. We have some coaches who run multiple teams and we want to be sure we are giving equal opportunity for all teams. This will help us to be sure one level does not monopolize the available times. With limited space, it is important we are all on the same page and know where to find the information. As the winter ramps up, we also know that weather plays a part in scheduling. When rescheduled JH and HS events must happen, this may cause a youth practice to be canceled. We would reach out to you if this affects your time.

OVERALL SCHEDULE

When a youth team would like to schedule gym time you can see the gym availability using the following link.

[EV Calendar](#)

Please verify nothing else is scheduled for the time requested and email sara.nelson@eastonvalleycsd.com.

GYM AVAILABILITY
