GENERAL INSTRUCTIONS TO VENDORS

1.0 PREPARING AND SUBMITTING OF PROPOSALS

- 1.1 INSTRUCTIONS. These instructions define the conditions of the RFP solicitation and the specifications of the goods or services desired. The words "Proposer, Consultant, Service Provider, Vendor, Contractor, Respondent, Sub-Contractor" and their derivatives may be used interchangeably in this document depending on the capabilities of any one or multiple respondents to this RFP.
- 1.2 THE PROPOSAL FORM. THE PROPOSAL FORM defines the requirements of the items to be purchased or the work to be done. The proposal **MUST** be submitted on the form furnished by the Caddo Parish School Board or submitted electronically at the designated electronic site. No other form or format is acceptable.
- 1.2.1 The RFP FORM must be signed by the proposer in the space provided. The authority of the person signing the RFP FORM shall be in accordance with LRS 38:2212.0. Failure to complete this form in its entirety may be cause for rejection.
- 1.2.2 ITEM SPECIFICATIONS. Specifying of a certain brand, make or manufacturer is to denote the quality, type and standard of the article desired. Articles offered must be new merchandise (unless specifically excepted) and must be of equal or superior grade.
- 1.3.0 TRADE NAMES AND MATERIALS
- 1.3.1 Where materials or equipment are specified by a trade or brand name, it is not the intention of the CPSB to discriminate against an equal product of another manufacturer.
- 1.3.2 It is to be understood that the use of such brand name or trade name is to define a standard of quality, character, and performance as well as establish an equal basis for the evaluation of proposals.
- 1.3.3 **Proposals are not restricted to the specific brand, make, or manufacturer named. Equivalent products will be acceptable.**
- 1.3.4 **It shall be the responsibility of the Director of Purchasing, or her designee, to determine what is considered an equivalent product.**
- 1.3.5 All materials or equipment shall be the best of their respective kinds and shall in all cases be fully equal to the stated product.
- 1.3.6 IDENTIFICATION OF PROPOSED PRODUCTS. On blank lines provided, the respondent must insert the manufacturer's brand name and identifying numbers along with any other information necessary to identify sufficiently and completely the articles offered. Failure to do so may prevent consideration of the item proposal.
- 1.3.7 ALTERNATES. Vendors shall propose only one product or service per item. Vendors shall not propose a primary product or service and then also include a second, alternate product or service. The **ONE** product or service that is closest to meeting the specifications is sufficient.
- 1.3.8 REQUIRED LITERATURE. When the RFP invitation is soliciting a proposal for a product (as opposed to a service), each vendor is to enclose complete descriptive information to fully identify the product quoted. This may be in the form of a catalog, manufacturer's brochure, specification sheet, cut sheet, schematic, or other brand or product information. **Failure to do so may prevent consideration of the item specified.**
- 1.4 PROPOSAL ENVELOPE. The proposal shall be submitted in a sealed envelope with the name and number of the RFP and date of opening plainly shown on the face of the envelope. If descriptive product literature is too large for the proposal envelope, a separate envelope may be used by the vendor. The separate envelope shall be properly labeled and submitted with the proposal. Failure to provide RFP number and opening date on the outside of the envelope may result in rejection of the submitted proposal.
- 1.5 PRICES. The vendor shall quote only a net unit price for each item specified. The unit of purchase will be indicated on the PROPOSAL FORM. Where directed to do so on the PROPOSAL FORM, the vendor shall extend the unit

price times the quantity to obtain and show a TOTAL NET PROPOSAL. Note: Some PROPOSAL FORMS are structured to require only a unit price and prohibit an extended total. In all cases the requirements and price configurations of the PROPOSAL FORM shall prevail.

- 1.5.1 FREIGHT. All prices proposed shall include FOB DESTINATION. Delivery shall be that the vendor delivers and unloads the purchased items to the dock of the designated point of receipt, which may include desktop-delivery. Title passes at the point of delivery with receipt and acceptance of all items in good order. Damaged freight claims are the responsibility of the successful vendor. Shipments must be received and accepted by a designated agent of the Caddo Parish School Board. All cartage, drayage, packing, handling, palletizing, etc., shall be included in the proposal price. Separate allowances for freight, shipping or handling will not be permitted.
- 1.5.2 DISCOUNTS. Discounts for prompt payment as may be offered in the proposal or on the invoice will be accepted. These discounts will not be considered in evaluating proposals for purposes of determining the respondent with the lowest price unless all other factors are equal.
- 1.6 ASSIGNMENT. The submission of a proposal under the terms of these specifications constitutes agreement to the following antitrust provision: For good cause and as consideration for executing this purchase and/or contract, I/We hereby convey, sell, assign and transfer to the State of Louisiana all rights, title and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the State of Louisiana, relating to the particular goods or services purchased or acquired by the State of Louisiana pursuant to this purchase made by its agency, The Caddo Parish School Board.
- 1.7 PLACE, DATE AND HOUR. All proposals shall be submitted to the PURCHASING OFFICE, CADDO PARISH SCHOOL BOARD, 1961 MIDWAY AVENUE, SHREVEPORT, LA 71108 or submitted electronically at www.bidexpress.com no later than **10:30am CST on TUESDAY, DECEMBER 02, 2025.**
 - 1.7.1 The first page of the RFP invitation and the RFP FORM designate the name and number of the RFP and the date and hour of the RFP opening. Proposals will be received until the stated date and time. **Irrespective of the reason,** proposals arriving after the stated date and time cannot and will not be accepted.
 - 1.7.2 All proposals shall be either hand delivered by the vendor or his agent in which instance the deliverer shall be handed a written receipt. Proposals may also be sent by registered mail or by certified mail with a return receipt requested, by regular mail or by electronic submission.
 - 1.7.3 **IMPORTANT.** The responsibility for timely presentation (delivery) of proposals rest solely with the proposer. A proposal delayed beyond the stated time and date through the mail, Federal Express, UPS, or other cannot and will not be accepted under any circumstances.
 - 1.7.4 CONFLICT OF INTEREST: Statement documenting any known conflicts of interest or no conflicts of interest must be included in the proposal.
 - 1.7.5 DISADVANTAGED OR MINORITY BUSINESS STATUS: One-page document listing certification status as a disadvantaged or minority business in accordance with local, federal, and state law. Please document if this is applicable or not applicable to a particular agent/firm.
 - 1.7.6 QUESTIONS: Questions regarding this RFP should be directed to Sheila Jones, Senior Buyer, via email (sjones@caddoschools.org) and received no later than 3:00pm on Tuesday, November 11, 2025. The subject line should be listed as **RFP 04-26 Network Electronics Questions**. Responses to questions will be posted as an addendum on Friday, November 14, 2025. **All questions must be submitted in writing. Verbal inquiries will not be accepted. Questions received after the 3:00pm deadline will not be accepted.**
- 2.0 **RFP SAMPLES:** If an item is submitted for consideration that the district staff is unfamiliar with, the vendor may be requested to send a sample(s) for evaluation purposes.
- 2.1 **CONDITIONS FOR REQUIREMENT.** Proposers shall submit samples **ONLY** when directed to do so as follows:
 - 2.1.1 With the proposal delivered to the Caddo Parish School Board Purchasing Office, no later than the hour and date of the solicitation opening **OR...**

- 2.1.2 By specific instructions found in the specifications or on the PROPOSAL FORM **OR**...
- 2.1.3 By specific notification authorized by the Purchasing Office, made within three (3) days after opening date, with samples to be submitted as directed within three (3) days after notification.
- 2.2 IDENTIFICATION. Each sample shall be identified with the vendor's name, RFP number, RFP item number, product trade name and identification (catalog number, model number, etc.) and/or as otherwise indicated on the PROPOSAL FORM.
- 2.3 PAYMENT FOR SAMPLES. CPSB will not buy samples and will not assume any cost incidental thereto.
- 2.4 RETURN OF SAMPLES. Samples not destroyed in testing may be claimed by unsuccessful proposers for fourteen (14) days after the RFP award date and by successful proposers for fourteen (14) days after the final payment. CPSB will not assume responsibility for samples not claimed within the time specified and will not pay for samples damaged in testing. CPSB will assume that the respondent is donating samples not claimed within the allotted time period.

3.0 CHANGE OR WITHDRAWAL OF PROPOSALS

- 3.1 WITHDRAWAL PRIOR TO RFP OPENING. Should any vendor desire to change or withdraw a proposal prior to the scheduled opening, the vendor may do so by making such request in writing to the Purchasing Office. This communication shall be received prior to the date and hour of the proposal opening.
- 3.2 CHANGE AFTER RFP OPENING BUT PRIOR TO AWARD. After proposals are opened, they may not be changed except to correct patently obvious mathematical errors or clerical mistakes. Verification of the correct proposal actually intended shall be submitted by the vendor to the Purchasing Office prior to the final award by the Board.
- 3.3 WITHDRAWAL AFTER RFP OPENING BUT PRIOR TO AWARD. After proposals are opened, a vendor may request that their proposal be withdrawn for good cause. Such request must be submitted in writing to the Purchasing Office prior to the final award by the Board. If the Purchasing Office agrees that the request is valid, the proposal may be withdrawn. It shall be understood that no proposal can be withdrawn after Board approval without consideration of penalties.

4.0 REJECTION OF PROPOSALS

CPSB reserves the right to reject any or all proposals and to waive any informalities.

5.0 PROPOSAL AWARD

- 5.1 The CPSB reserves the right to reject, in whole or in part, any and all proposals and to waive any and all technicalities and informalities, and reissue an RFP Invitation in accordance with the state law.
- 5.2 In an effort to ensure that all items within this category are obtainable under contract, CPSB reserves the right to make MULTIPLE AWARDS for this proposal.
- 5.3 Proposals shall be opened publicly, recorded, and compiled in tabular form, a copy of which will be available for examination in the Purchasing Department. The proposer's name shall be read aloud and no determination of proposal award will be made at the time of opening. After review by the Purchasing Department, the certified tabulation and recommendation for proposal award will be available for examination prior to the official meeting for consideration by the Board.
- 5.4 An award resulting from this request shall be awarded to the most responsive and responsible Contractor whose proposal is determined to be the most advantageous to CPSB, taking into consideration price and the evaluation criteria set forth herein; however, the right is reserved to reject any and all proposals received; to waive any informalities, and in all cases CPSB will be the sole judge as to whether a proposer's proposal has or has not satisfactorily met the requirements of the RFP.

- 5.5 For the purpose of making this evaluation, administrative costs to the CPSB for issuing and administering each contract awarded under this invitation will be considered. Individual awards may be made for the items and combinations of items, which result in the lowest aggregate price to the CPSB, including such administrative costs. Based on such administrative costs the CPSB may make multiple awards for this contract.
- 5.6 When applicable, in calculation of the lowest responsive proposal, unit prices shall supersede extended prices for items proposed in quantity. A random, minor discrepancy in extended prices will not render a proposal unresponsive. The Purchasing Department shall read the proposals as submitted, note any discrepancies, and request written clarification for minor errors that do not affect low proposal determination.
- 5.7 The CPSB may reject any proposal for failure by the vendor to comply with any requirement stated in the proposal documents. Non-responsive vendors will be noted on the proposal tabulation as such, with reason(s) for this determination stated.
- 5.8 The CPSB reserves the right to reject all proposals (individual line item or group, as applicable) if the lowest proposal is in excess of ten percent (10%) of the price offered to any government entity by any authorized distributor for similar quantities of the same product within 180 days prior to proposal opening.
- 5.9 Any proposer evidenced to be not responsible may be disqualified through a Disqualification Hearing process, and if declared "not responsible" by the CPSB proposals shall be rejected. A vendor may be declared not responsible for such reasons including, but not limited to, failure to pay taxes, failure to obtain licenses or permits, poor performance on past contracts with CPSB or other government agency, or lack of evident capacity to fulfill contract.
- 5.10 The CPSB reserves the right to contact proposers for the purpose of obtaining additional information and/or clarification that will assure full understanding of, and responsiveness to, solicitation requirements. Such information shall be provided within three (3) business days. This may include brochures, specification sheets, detail drawings, or samples.
- 5.11 The CPSB reserves the right to eliminate any and all items from the proposal list prior to issuing a proposal award, a notice to proceed, or a purchase order, and if so, the proposal price shall be adjusted accordingly.
- 5.12 Payment discounts, while accepted, will not be used in the determination of lowest responsive proposal.
- 5.13 Awards become official at the time proposals are accepted by the CPSB during their regular sessions. Contract has its inception in the award, eliminating a formal signing of a separate Contract Document.
- 5.14 The purchase order and/or contract mailed or delivered to the successful respondent is the Official authorization to deliver materials or perform the services described therein. The time allowed for delivery or performance begins with the date of proposal acceptance and approval by the CPSB unless otherwise specified in the proposal documents whether or not a purchase order or contract has been issued.
- 5.14 In the event of a tie proposal, preference will be given in the following order: companies located in CADDO Parish, companies located in the State of Louisiana, companies whose Louisiana business workforce is comprised of a minimum of fifty percent Louisiana residents, and winner of a coin toss performed by CPSB.
- 5.15 LOUISIANA PREFERENCE. In accordance with LRS 38:2252, "Preference is hereby given to materials, supplies and provisions, produced, manufactured or grown in Louisiana, quality being equal to articles offered by competitors outside of the state."
- 5.15.1 PREFERENCE VENDORS, PLEASE NOTE: LRS 38:2251, Sections (A), (H) and (J) detail the conditions and requirements by which preference claims may be made for materials, supplies or equipment products manufactured, processed, produced, or assembled in Louisiana OR that the respondent's LA workforce is comprised of at least 50% Louisiana residents. To claim preference the proposer **MUST** fully comply with all requirements and conditions of the law. The proposer shall complete the following:

Signature: _____

Print Name: _____

5.16 **EVALUATION:** The **Technology Department** staff will play an integral role in the evaluation of the submitted proposals. The durability, suitability, and past usage history will be factors in determining the award to the successful proposer. Each proposal will be evaluated by a committee comprised of various CPSB representatives. The evaluation committee will be comprised of no less than three (3) persons. Proposals will be graded on a scale of 0 to maximum value, with 0 being the lowest rating within an ascribed category. Each category will be graded separately, and a cumulative score will help dictate the awarding of the contract. Categories may include but are not limited to:

1)	Purchase Price (with E-rate Eligibility).....	40 pts
2)	Reputation of the Vendor and of the Vendor's Goods or Services	10 pts
3)	Quality of the Vendor's Goods or Services	10 pts
4)	Extent to which the Goods or Services Meet the District's Needs..	20 pts
5)	Vendor's Past Relationship with the District	15 pts
6)	Any other relevant factor specifically listed in the request.....	5 pts

5.15 **REFERENCES:** Interested vendors shall include with their proposal not less than three (3) company references that may be contacted with which vendor's services have been provided. Vendors should list names, addresses, telephone numbers, and e-mail addresses of each reference. Failure to include this information with the proposal may result in disqualification.

6.0 **FAILURE TO PERFORM** (For proposals where bid security and performance bond has not been required as a condition of the proposal)

6.1 In the event a successful vendor fails to perform on an awarded proposal, CPSB shall declare the successful vendor in default. If a successful vendor defaults, CPSB will be authorized to take one or all of the following recourses:

- (1) CPSB shall contract for awarded services from such party or parties in such a manner as it shall select at the expense of the successful vendor in conformance with the RFP terms and conditions contained herein or made a part of the RFP by submission or attachment.
- (2) CPSB may elect to cancel the contract, reserving to itself nevertheless all rights for damages which may be incurred by the School District.
- (3) Forfeiture of the bidder's right to transact business with CPSB for a period of one year following the date the penalty is invoked.

7.0 **DELIVERY, BILLING AND PAYMENT**

7.1 **DELIVERY.** Weekends and holidays excepted, deliveries shall be FOB DESTINATION, DESKTOP DELIVERED or PLATFORM DELIVERED (large or palletized items) 8:00 am - 3:00 pm (unless specific arrangements have been made with the receiving location) to the location shown on the PROPOSAL FORM or PURCHASE ORDER. - 7.3 PAYMENT. Unless otherwise specified, payment will be made within thirty (30) days after delivery, authorized inspection and acceptance. Payment will be made to the successful contractor unless other payment arrangements are requested and approved by the Purchasing Office.
- 8.0 **DETERMINATION OF PROPOSALS**
- 8.1 Vendors should submit a proposal for any or all items specified. In some instances, items having commonality may be grouped together for a single award. Failure to submit a proposal for all items contained within a group will cause rejection of the item grouping. The PROPOSAL FORM will designate the method of award if different from an individual item basis.
- 8.2 The responsible vendor meeting specifications and having the lowest acceptable proposal price and highest cumulative score (as determined by the proposal evaluation process) will be awarded the business covered therein. Each vendor is to be responsible for the accuracy of their proposal and CPSB will assume that the TOTAL NET PROPOSED for each item (or group of items) is a correct and legitimate proposal.
- 9.0 **PRODUCT VERIFICATION AND LITERATURE REQUIRED.** Include complete literature, pictures and/or description of products other than those specified. Failure to fully and completely identify items and to provide sufficient literature for evaluation of proposal may be sole cause for rejection of the proposal.
- 10.0 **RESERVATIONS BY BOARD**
- 10.1 Limited funds are budgeted for the purchase of these items. Should the proposal price be more than anticipated, CPSB reserves the right to reduce the quantity as appropriate to remain within the budgeted allocation for the purchase.
- 10.2 The Caddo Parish School Board may reject any proposal for failure by the vendor to comply with any requirement stated herein or as appearing on the PROPOSAL FORM or in the general proposal conditions or in any attachment thereto, which becomes a part of the proposal.

17.0 PROHIBITIONS OF GRATUITIES

- 17.1.1 It shall be unethical for any person to offer, or give, or agree to give any CPSB employee or former CPSB employee, or for any CPSB employee or former CPSB employee to solicit, demand, accept, or agree to accept from another person, a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, or preparation of any part of a program requirement or purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing, or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim or controversy, or other particular matter pertaining to any program requirement or a contract or subcontract or to any solicitation or proposal.

22.0 **ERATE SUPPLEMENTAL TERMS AND CONDITIONS**

The Telecommunications Act of 1996 established a fund by which Schools and Libraries across the Country could access discounts on eligible telecommunications products and services. The program is commonly known

as the E-rate Program. The eligibility for discounts on internet access, telecommunications products and services, internal connection products, services and maintenance is determined by the Federal Communications Commission (FCC). Funding is made available upon application approval by the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC), which was established by the Act. The amount of discount is based on the numbers of students eligible to receive free and reduced-price meals using the USDA's National School Lunch Program eligibility guidelines or another approved alternative measure of poverty.

FUNDING

The project herein may be contingent upon the approval of funding from the Universal Service Fund's Schools and Libraries Program, otherwise known as E-rate. Even after award of contract(s) and/or E-rate funding approval is obtained, the District may or may not proceed with the project, in whole or in part. Execution of the project, in whole or in part, is solely at the discretion of the District.

SERVICE PROVIDER REQUIREMENTS

The Applicant expects Service Providers to make themselves thoroughly familiar with any rules or regulations regarding the E-rate program.

Service Providers are required to be in full compliance with all current requirements and future requirements issued by the SLD throughout the contractual period of any contract entered into as a result of this RFP.

Service Providers are responsible for providing a valid SPIN (Service Provider Identification Number or Form 498 ID) at the time the proposal or bid is submitted. More information about obtaining a SPIN/Form 498 ID may be found at this website: <https://www.usac.org/e-rate/service-providers/step-1-obtain-a-spin/>

Service Providers are responsible for providing a valid Federal Communications Commission (FCC) Registration Number (FCC RN) at the time the proposal or bid is submitted. More information about obtaining an FCC RN may be found at this website: <https://fjallfoss.fcc.gov/coresWeb/publicHome.do>

Service Providers are responsible for providing evidence of FCC Green Light Status at the time the proposal or bid is submitted. Any potential vendor found to be in Red Light Status will be disqualified from participation in the proposal process and will be considered non-responsive. More information about FCC Red and Green Light Status may be found at this website: <https://www.fcc.gov/licensing-databases/fees/debt-collection-improvement-act-implementation>

Products and services must be delivered before billing can commence. At no time may the Service Provider invoice before July 1, 2026.

Prices will not increase for the duration of the associated E-rate Funding Year(s) or until all work associated with the project is complete (including any contractual and USAC approved extensions). It is also expected that should pricing for contracted services drop during the term of the contract, the Applicant will realize those cost savings.

Goods and services provided shall be clearly designated as "E-rate Eligible". Non-eligible goods and services shall be clearly called out as 100% non-eligible or shall be "cost allocated" to show the percentage of eligible costs per SLD guidelines.

In the event of questions during an E-rate pre-commitment review, post-commitment review and/or audit inquiry, the awarded Service Provider is expected to reply within 3 days to questions associated with its proposal.

Services providers must comply with the FCC rules for Lowest Corresponding Price ("LCP"). Further details on LCP may be obtained at USAC's website: <https://www.usac.org/e-rate/service-providers/step-2-responding-to-bids/lowest-corresponding-price/>.

SERVICE PROVIDER ACKNOWLEDGEMENTS

The Service Provider acknowledges that no change in the products and/or services specified in this document will be allowed without prior written approval from the Applicant and a USAC service substitution approval (with the exception of a Global Service Substitutions).

The Service Provider acknowledges that all pricing and technology infrastructure information in its proposal shall be

considered as public and non-confidential pursuant to §54.504 (2)(i)(ii).

The Service Provider acknowledges that its offer is considered to be the lowest corresponding price pursuant to § 54.511(b). Should it not be the lowest corresponding price, the service provider must disclose the conditions leading to the applicant being charged in excess of lowest corresponding price.

This offer is in full compliance with USAC's Free Services Advisory <https://www.usac.org/e-rate/applicant-process/competitive-bidding/free-services-advisory/> There are no free services offered that would predicate an artificial discount and preclude the applicant from paying its proportionate non-discounted share of costs. The service provider agrees to provide substantiating documentation to support this assertion should the applicant, USAC, or the FCC request it.

The Service Provider attests that its offer will not violate the FCC's Report and Order in the matter of "Protecting Against National Security Threats to the Communications Supply Chain Through FCC Programs", WC Docket No. 18-89, Action by the Commission November 22, 2019 by Report and Order, Further Notice of Proposed Rulemaking, and Order (FCC 19-121) and can be found at <https://docs.fcc.gov/public/attachments/FCC-19-121A1.pdf>.

EARLY FUNDING CONDITIONS

Category 2

There is one condition that allows USAC to provide support in a funding year for Category 2 installation costs incurred prior to that funding year.

- We also amend our rules for category two non-recurring services to permit applicants to seek support for category two eligible services purchased on or after April 1, three months prior to the start of funding year on July 1. This will provide schools with the flexibility to purchase equipment in preparation for the summer recess and provide the maximum amount of time during the summer to install these critical networks.

For more information, please refer to the FCC Report and Order and Further Notice of Proposed Rulemaking (FCC 14-99 , released July 23, 2014). This FCC decision only applies to Category 2 services (Internal Connections). However, NO INVOICING can take place prior to July 1 of the funding year.

INVOICING

The Service Provider agrees to bill and receive a portion of the payment for the provisions of goods and services described herein directly from USAC via the Form 474 Service Provider Invoice (SPI). The Applicant will only be responsible for paying its non-discounted share of costs and does not intend to use the BEAR process (Form 472). The maximum percentage the Applicant will be liable for is the pre-discount amount minus the funded amount as shown on the FCC Form 471 Block 5 and any identified ineligible costs. Upon the successful receipt or posting of a Funding Commitment Decision Letter from the SLD and submission and, certification and USAC approval of FCC Form 486, the Applicant shall pay only the discounted amount beginning with the billing cycle immediately following said approval. Alternatively, should the Applicant decide that it is in the best interest of the Applicant to file a Form 472, the Applicant will inform the Service Provider of its intent.

All Service Provider invoicing to USAC must be completed within 120 days from the last day of service. Should the Service Provider fail to invoice USAC in a timely manner, the Applicant will only be responsible for paying its non-discounted share.

FCC/SLD AUDITABILITY

The E-rate program requires that all records be retained for at least ten (10) years from the last date of service provided on a particular funding request. Service Provider hereby agrees to retain all books, records, and other documents relative to any Agreement/Contract resulting from this proposal for ten (10) years after receipt of service(s). The Applicant, its authorized agents, and/or auditors reserves the right to perform or have performed an audit of the records of the Service Provider and therefore shall have full access to and the right to examine any of said materials within a reasonable period of time during said period.

Any proposed substitution of goods or services to be supplied by the vendor shall require prior written acceptance by the District, unless stated otherwise. The vendor shall be bound to provide all proposed goods or services if its proposal is accepted and awarded by the District, and no changes shall be acceptable unless agreed to in writing by the District.

Vendor assumes all liability for delivering non-compliant goods. The District reserves the right to reject any tender of non-compliant goods and shall require the vendor to take possession of such defective goods at no cost to District, and replace them with compliant goods at no cost to District, unless the District elects, in writing, to accept such non-compliant goods. Such non-confirming goods shall constitute good cause for termination of the contract, purchase order, or award, if not accepted by written agreement by the District or cured by the vendor.

For items that are not 100% covered by E-rate funding, indicate in the E-rate eligible column on the pricing form the percent of the item's cost that is E-rate eligible.

EDGAR and Non-Federal Entity COMPLIANCE

The following provisions are required and applicable when federal funds are expended by the Caddo Parish School Board for any contract awarded using the procurement process. The Caddo Parish School Board is the subgrantee, subrecipient, or non-federal entity by definition.

In addition to other provisions required by the federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

- (A) Contracts for more than the simplified acquisition threshold currently set at \$250,000 which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide such sanctions and penalties as appropriate.**

Pursuant to Federal Rules (A) above, when federal funds are expended, the Caddo Parish School Board reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

- (B) Termination or cause and for convenience by the grantee or subgrantee including the manner by which it will be affected and the basis for settlement. (All contracts in excess of \$10,000)**

Pursuant to Federal Rules (B) above, when federal funds are expended, the Caddo Parish School Board reserves all rights and to immediately terminate any agreement in excess of \$10,000 resulting from this procurement process in the event of a breach or default of the agreement by Vendor, in the event vendors fails to: (1) meet schedules, deadlines, and/or delivery dates within the time specified in the procurement solicitation, contract, and/or a purchase order; (2) make any payments owed; or (3) otherwise perform in accordance with the contract and/or the procurement solicitation. The Caddo Parish School Board also reserves the right to terminate the contract immediately, with written notice to vendor, for convenience, if the Caddo Parish School Board believes, in its sole discretion that it is in the best interest of Caddo Parish School Board to do so. The vendor will be compensated for work performed and accepted in addition to goods accepted by the Caddo Parish School Board as of the termination date if the contract is terminated for convenience by the Caddo Parish School Board. Any award under this procurement process is not exclusive and the Caddo Parish School Board reserves the right to purchase goods and services from other vendors when it is in the best interest of the Caddo Parish School Board.
