School Choice & Transportation

School Choice & Transportation

RSU 12 is one of the unique districts that does not have its own high school once students have graduated from the 8th grade. The district has School Choice, meaning a student can choose any high school they would like to attend. There are many things to take into consideration when making this decision including your student's academics as well as transportation.

Bus Transportation Information

RSU 12 does not provide high school transportation. Many local high schools send buses to our towns to transport students to their school. The Town of Chelsea is the only town that will provide funds for morning and afternoon bus runs for high school students to meet their high school bus connections.

The following schools provide transportation:

Hall Dale HS: Bus stops in Chelsea, Whitefield and Windsor.

Gardiner Area HS: Bus stops in Chelsea.

Lincoln Academy: Bus stops in Whitefield and Alna.

Erskine Academy: Bus stops in Chelsea, Whitefield, Windsor and Palermo.

Wiscasset HS: Bus stops in Windsor, Chelsea, Alna and Westport Island.

RSU 3 Mt. View HS: Bus stops in Palermo

Maine Academy of Natural Sciences: Bus stop at China Hannaford

Boothbay HS: Bus stops in Alna and Westport Island

Maine Arts Academy: Bus stops in Chelsea, Palermo and Windsor.

MSAD 40 Medomak Valley HS: bus stops in Somerville

CONY HIGH SCHOOL DOES NOT PROVIDE TRANSPORTATION TO RSU 12 STUDENTS.
