

# GEORGETOWN

Exempted Village Schools

## Strategic Plan

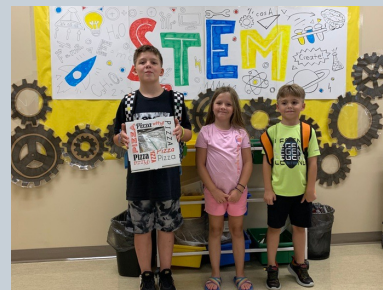

Through empowering students with personalized experiences, Georgetown Exempted Village Schools will be the destination for an education that **ignites passion, inspires action** and **instills greatness** in the future of every student.

### WE BELIEVE...

- In the power of a growth mindset and that all students can learn if given the right supports and guidance.
- That a strong relationship between school and home is the foundation to student success.
- Learning should be designed for each student to reach their full potential.

#IgniteInspireInstill

### IGNITE PASSION

**GOAL:** Ignite students' passions through personalized experiences, even those beyond the classroom, in order for students to be successful now and in the future.

### INSPIRE ACTION

**GOAL:** Expand student opportunities through additional courses offered as well as continuing to grow programs and career pathways that meet the diverse needs of students.

### INSTILL GREATNESS

**GOAL:** We will instill greatness within each student and become a destination district by prioritizing the whole child approach to education.

# YEARLY OBJECTIVES

## MEET THE DIVERSE NEEDS OF STUDENTS & STAFF

- The Georgetown schools will continue to provide and/or facilitate mental health/counseling services/resources to students.
- The District will continue to explore opportunities to find student/staff support to address student behaviors.
- The District will complete the full implementation of PBIS in both buildings.
- The District will prioritize gifted education and create resources for students/staff.

## STUDENT MOTIVATION & ENGAGEMENT

- Students, in collaboration with teachers, will create individual academic goals with rewards (K-12).
- The District will focus on reducing chronic absenteeism.
- District teams will increase family engagement opportunities.
- Increase teacher communication with parents/guardians.

## PRIORITIZING THE WHOLE CHILD

- Establish frameworks that prioritize the Whole Child approach to education.
- Communicate the key components of the Whole Child with all staff.

## STUDENT OPPORTUNITIES

- Buildings in the District will integrate STEM learning opportunities into the curriculum.
- The District Leadership Team will actively explore additional opportunities for student engagement.

### A message from the Superintendent...

The GEVSD strategic plan was created as a statement of our district's core beliefs and goals. Georgetown schools strive to be a student-centered district where all decision outcomes prioritize the education of the whole child. The vision and guiding principles outlined in the strategic plan will lead the district to Ignite Passion, Inspire Action, and Instill Greatness in the future of every student.

Yours in Education,
