NATIONAL NEWS

'PISTOL PETE'

1. Famous for his floppy sox and shaggy hair, "Pistol Pete" Maravich is making a good showing as a rookie with the Atlanta Hawks of the NBA. Maravich was collegiate scoring champ the previous season.

2. Sign of the Times — As Washington visitors viewed the cherry blossoms near the Jefferson Memorial they may have noticed a new sign advising everyone that the water in the area is polluted and the fish contaminated.

3. In September, pretty Phyllis George of Denton, Texas, was chosen to reign as Miss America for the coming year.

4. In May, the Kent State University campus was evacuated of everyone except National Guardsmen and police after three days of demonstrations had left four students dead.

5. 418 concrete coffins filled with nerve gas are loaded onto World War II Liberty ship, SS Lebaron Russell. The ship was scuttled 282 miles off Cape Kennedy in 16,000 feet of water.

6. In January of 1970, the Kansas City Chiefs defeated the Minnesota Vikings in the Super Bowl. Jan Stenerud is shown kicking a 48-yard field goal for the first score. Len Dawson is holding.

7. General view of U.S. soldiers handling the mail during the mail strike, the first in U.S. history.

8. Apollo 13 Astronauts, Fred Haise, James Lovell and John Swigert, left to right, step aboard carrier after recovery. Their scheduled lunar landing had to be scratched after an oxygen tank explosion all but crippled their moon-bound space vehicle.

9. Figures on the map indicate the percentages of new voters, aged 18-21, that will be granted the right to vote under a controversial new law passed by Congress.

10. John Wayne is congratulated by Barbra Streisand as he accepts the Oscar for best actor for his performance in "True Grit."

11. In December short shorts and pedal pushers made a comeback for spring in this New York showing.

12. April 22 — "Earth Day" demonstrators in Washington left spilled oil in the wake of their rally at the Interior Department. They were protesting pollution by offshore oil drilling.

HALSTEAD HIGH SCHOOL

The year 1970-71 marked the beginning of a new chapter in the educational progress of HALSTEAD HIGH SCHOOL.

We started the year in a new building, and we were very thrilled about it. We, the Annual Staff of 1970-71, hope that this facility will serve the needs of Halstead for many years in the future.

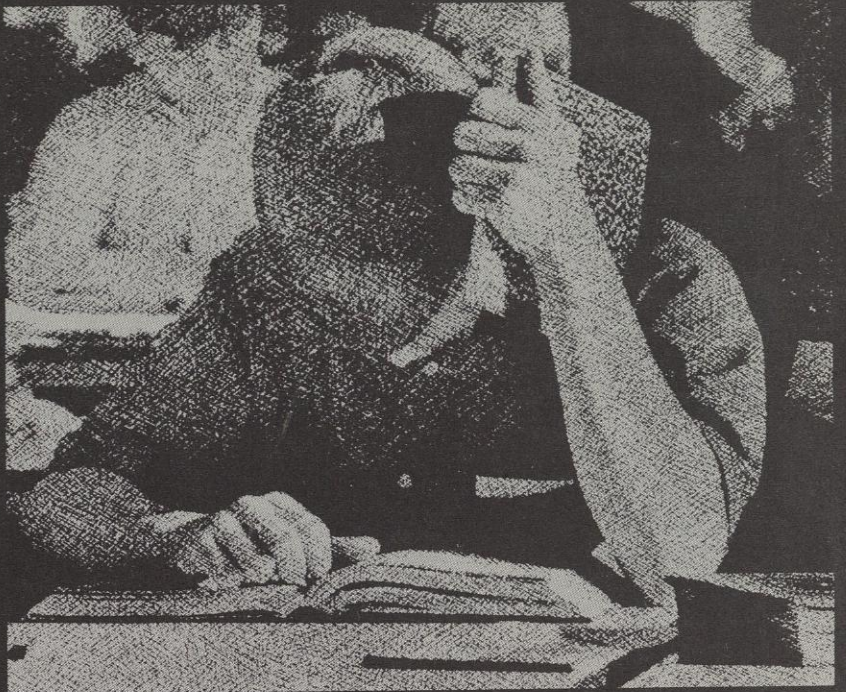

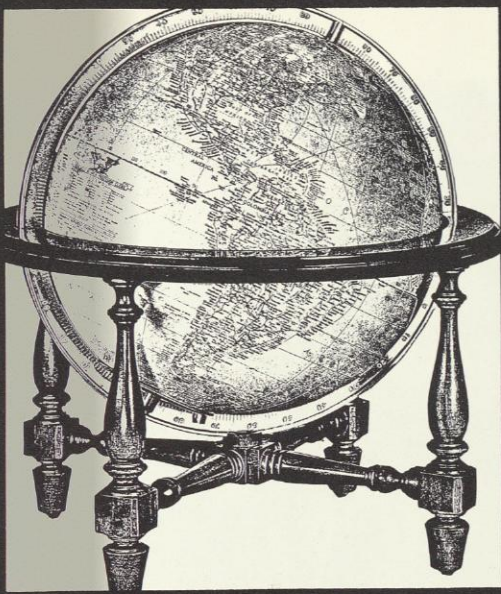

Faded photographs
covered now with lines and creases.
Tickets torn in half
Memories in bits and pieces. . .

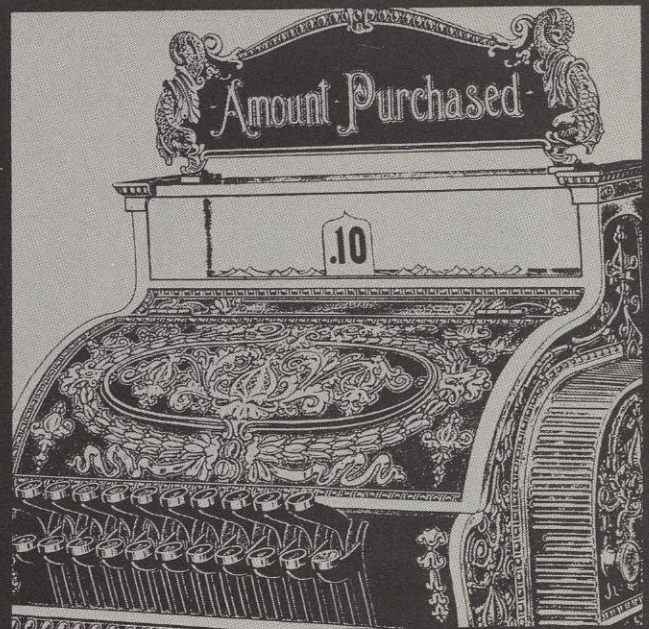

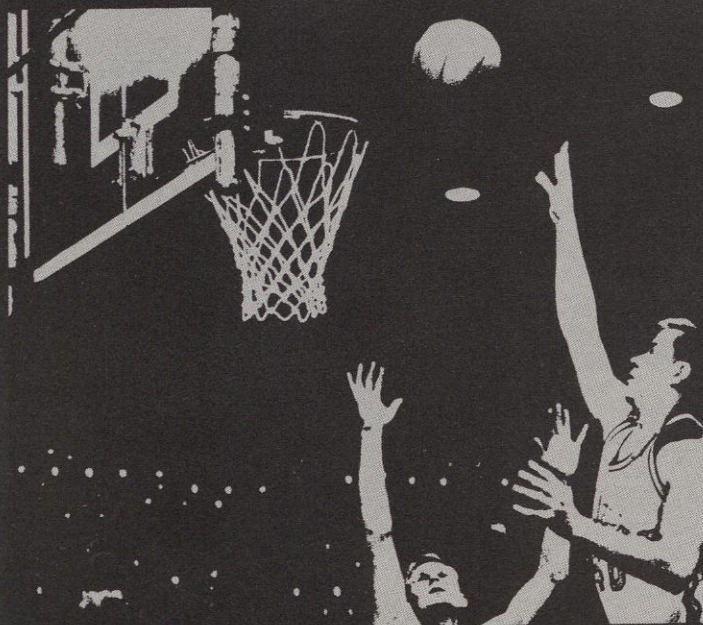

We've spent so many hours
and there is nothing left but
memories pressed between the pages of
our minds. . .

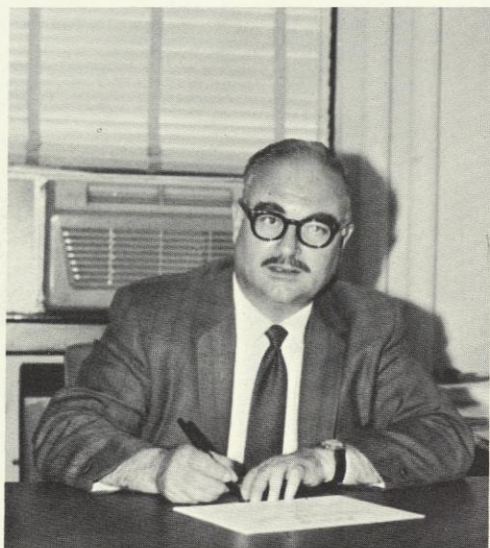

The 1970-1971 BLUE DRAGON is dedicated to Miss Coreine Tincher. Miss Tincher has been librarian and an English instructor at Halstead High School for ten years, and she has twenty-seven years of teaching to her credit. She has provided her students with many valuable experiences. She has certainly been an asset to the teaching profession.

Student Government is definitely playing a bigger role at Halstead High School each year. The students and organizations were very well represented this year by their elected members. As in previous years, the 1970-1971 Council sponsored the football homecoming ceremonies, parade and dance. Also in cooperation with the Pep Club and H-Club, Stuco sponsored the basketball coronation ceremonies and dance. This year the Student Council sponsored a "Fun Night," applying all proceeds to the Peace Corps sponsored School Partnership Program to close the fund raising aspect of the program. Because of our effective Stuco, girls are now able to wear suitable pants to school.

Now girls, just because I live in Bentley. . .

Some days don't you just feel like putting a paper bag over your head?

What goes up must come down.

We've only just begun to live
Sharing horizons that are new to us
Watching the signs along the way
So much of life ahead
We'll find a place where there's room to grow
Before the rising sun we fly
So many roads to choose
We start out walking and learn to run
We've only just begun. . .
