

Clifton High School / Clifton Middle School

Cheerleader / Mascot - Handbook 2023-2024

Cheerleading Principles

Membership on a cheerleading squad offers a unique opportunity for personal growth, leadership, and involvement in diverse activities. The attitude, dedication, and enthusiasm of the squad members are just as important as the skills involved in cheerleading. Members of the cheerleading squad must be committed to the highest level of athleticism, performance, self-discipline, respect for the school and others, personal exemplary conduct and the performance of all responsibilities related to the pursuit of school spirit and pride. Furthermore, cheerleaders must demonstrate a proven ability to balance academic requirements and demands with extracurricular and personal activities.

Tryout Qualifications

The cheerleader/mascot candidate must have:

- 70 overall average of 1st semester academic courses (ie. Math, English, Social Studies, Science)
- No lower than a grade of 70 in any enrolled course during the current semester – grades for eligibility will be checked on **Tuesday, February 21**
- **Must meet the 90% attendance requirement for 1st semester of the current school year**
- Be enrolled in CISD before the mandatory parent meeting.
- Have no more than 2 discipline referrals during the current school year.
- Have no AEP placements during the current school year.
- Be clear of any school fines (library fines, textbook fines, etc.)

All mandatory meetings and practices must be attended, unless special arrangements are made *prior* to the meeting/practice with the sponsor.

Tryouts

All candidates will learn 1 cheer, 1 sideline and a dance. The cheers and dance will be new to all of the candidates. At the HS and MS level, the 12th grade cheerleaders or outside sources will teach the cheers and dance at the practices prior to tryouts.

The dance and sideline will be performed in small groups. The cheer will be performed individually.

All candidates will wear black shorts and a solid white t-shirt, white socks and athletic shoes (white is preferred). Cheer shoes are allowed. Hair is to be pulled away from the face in a ponytail if shoulder length or longer, or worn half up if shorter. Ribbons/Bows are allowed. No jewelry is to be worn. Fingernails should be short and neat. If nail polish is worn, it should be neutral and non distracting.

Judging of Candidates

CHEERLEADER - The individual cheer, group cheer, jumps, and dance will be performed for judges only, which usually consist of UCA cheerleaders and/or outside of district cheer sponsors. The judges will evaluate the candidates on spirit, gymnastic skills, jumps, communication skills (voice, facial, confidence, and enthusiasm), motion technique, and their ability to cheer with a group of 2 or more candidates. The judges' score will compose 70% of the total score.

Teacher Evaluations will be given to all teachers who have taught the candidate during the current school year. The candidate will be evaluated on ability to get along with others, attitude, cooperation and respect of authority, attendance and punctuality, and dependability. The teacher evaluation scores will be totaled and averaged. This score will compose 30% of the total score.

After all scores are tabulated, the candidates with the highest score, will be selected as cheerleaders for the 2023-2024 school year.

*The number of Varsity cheerleaders shall be determined by the coach and principal at a natural break. A natural break is defined by a significant difference between two consecutive scores. There will be a minimum of 16 cheerleaders and a maximum of 20.

**There will be 12 Middle School Cheerleaders.

MASCOT – Each mascot candidate will perform individually (in mascot uniform) a skit of 3 minutes or less for judges only, which usually consist of UCA cheerleaders and/or outside of district cheer sponsors. The candidate will be scored on crowd appeal (entertainment, crowd involvement), originality and creativity, and body movement (use of entire body, exaggerated movements, walk, personality). No obscene gestures or lewd behavior will be tolerated. The judges' score will compose 70% of the total score.

The mascot will also learn a group cheer and chant to be performed at tryouts.

Teacher Evaluations will be given to all teachers who have taught the candidate during the current school year. The candidate will be evaluated on ability to get along with others, attitude, cooperation and respect of authority, attendance and punctuality, and dependability. The teacher evaluation scores will be totaled and averaged. This score will compose 30% of the total score.

One mascot will be selected for Varsity for the 2023-2024 school year. Therefore, the candidate with the highest scores will be selected. One candidate will be selected as the Middle School mascot. Therefore, the candidate with the highest scores will be selected.

MASCOT FEE: A user/cleaning fee of \$200.00 is required and due by May 19 by the mascot for the cleaning/upkeep of the mascot costume. The costume is very expensive to replace and should be handled with care and kept clean at all times.

Announcement of Tryout Results

The announcement of the results will be posted at the front doors of the high school following judges' tryouts. Time for results will be announced following the judges' tryouts. Results will be posted by candidate number in chronological order. No names will be listed.

Rules and Regulations

Cheerleaders/Mascot must understand that teamwork and the maintenance of discipline is the key to the success of the spirit program. Cheerleaders/Mascot are to be dedicated to promoting spirit, enthusiasm, and display a positive winning attitude through example. Adherence to the Rules and Regulations is vital to achieving these goals. All members must realize that the manner in which they conduct themselves, in or out of uniform, directly reflects on the entire team and school.

It is recognized that these rules and regulations are necessary to maintain team morale, team and individual discipline, and effective learning. Consistent enforcement of rules and regulations is also necessary to ensure the safety and general well being of each individual cheerleader. Participation in cheerleading is voluntary, not mandatory. It is a privilege, not a right, and may be revoked by the school principal or cheer coach/sponsor when a cheerleader violates the rules and regulations.

Extracurricular Code of Conduct (ECC)

See attachment at the end of the handbook. NOTE: Cheer activities considered “allowable performances/competitions” include pep rallies, games, competitions, spirit week, etc. and are subject to the consequences of ECC violations. Cheer camp and cheer practices are NOT included.

Grades

All team members will be governed by UIL eligibility rules regarding grades. A minimum average of a 70 must be maintained in each class. No failing grades will be permitted in any class. Once a member has been declared ineligible because of grades, he/she may not be reinstated until the last day of the three weeks at 4:00pm.

Physical Fitness

Each team member must realize that a position on the squad will require him/her to make an effort to represent his/her school the best way and will be physically demanding. Each member must realize that a position on the squad requires stretching of many muscles and aerobic exercises. Stretching will be required before every practice or game. All cheer squad members and mascot(s) must have a physical on file with the cheer coach. Cheer team members in athletics can provide a copy of the current physical on file.

Conduct

By being part of the cheerleading squad, you are accepting the fact that your actions are more prominent than those not associated with such an activity. Because of this, exemplary behavior is mandatory at all times, anywhere in the community and at all school functions where you are recognized as a representative of Clifton High School / Clifton Middle School.

- Promoting good sportsmanship by way of example is required at all times. Members must not use foul language at practices, in school, at games, camp, etc.
- Excessive public displays of affection are never considered appropriate, especially in uniform, at games, school events, or in school.
- Cheerleaders/mascot are required to be in accordance with the school dress code, when not in uniform, any time they are participating in or attending an event for Clifton High School / Clifton Middle School.
- Members must cooperate with school administration, all faculty members, game officials, coaches, sponsors, and squad members. Cheerleaders/mascot must display proper behavior in class.

Unacceptable and Inappropriate Use of Technology Resources

First and foremost, students are encouraged to always exercise the utmost caution when participating in any form of social media or online communications, both within the Clifton community and beyond.

Students who participate in online interactions must remember that their posts reflect on the entire Clifton High School/Clifton Middle School community and, as such, are subject to the same behavioral standards set forth in the athletic code, student behavior expectations, student drug and alcohol policy, and the CHS student handbook.

Students are expected to abide by the following:

- To protect the privacy of Clifton students and faculty, students may not, under any circumstances, create digital video recordings of Clifton community members either on campus or at off-campus Clifton events for online publication or distribution unless you have the consent of those in the school administration for on campus items as well as consent of those in the digital recording.
- Students may not use social media sites to publish disparaging or harassing remarks about Clifton community members, fellow teammates, the coaching staff, faculty, staff, school administrators and athletic or academic contest rivals.
- Students who choose to post editorial content to websites or other forms of online media must ensure that their submission does not reflect poorly upon the school.
- Students may not post inappropriate pictures of themselves or teammates while in uniform, at any school/community function or event, or on any school property.

Failure to abide by this Policy, may result in removal from the team.

Because engaging in this type of behavior can lead to bullying or harassment, as well as possibly impede future endeavors of a student, we encourage you to review with your child <http://beforeyoutext.com>, a state-developed program that addresses the consequences of engaging in inappropriate behavior using technology.

Attendance

Illness or physical injury that results in a cheerleader/mascot missing practice/game requires a message through Talking Points to the cheer coach/sponsor before the scheduled practice/game.

Absences must be excused by a note from a doctor if you had an appointment or a call from your parent if you are sick. If the illness/injury is severe enough to warrant extended leave from participation, a doctor's note should specify such. A doctor's release will be required when returning to practice after a severe illness/injury.

Missing a scheduled practice prior to a game/pep rally may result in the individual not performing at the game/pep rally, whether excused or unexcused.

Attendance is MANDATORY for all cheer practices the week prior to attending camp. Any absence from these practices (excused or unexcused) will result in one demerit per absence.

There will be MANDATORY practices scheduled at times during school holidays. Missing any of these mandatory practices will result in one demerit per absence. A calendar of scheduled practices will be given when that season's sports calendars are made available.

Any absence from school on the day of a cheer event (other than routine dental/doctor appointments) will result in the squad member not cheering at that event.

Absences due to work schedules are UNEXCUSED. Jobs must work around the cheerleading squad schedule.

The only valid (legitimate) excuse for missing a game/practice is illness/injury or a death/serious illness in the family. After school jobs, babysitting, transportation, and excessive homework are not considered valid excuses for absences. Other absences relating to family obligations must be pre-approved by the cheer coach/sponsor.

Missing practices that have valid excuses can still lead to being removed from a routine position or stunt, due to not physically being available for practice.

Even if the cheerleader/mascot is ill or has an injury, they should (if possible) try to attend practice and watch from the sidelines. If the illness is contagious, please stay home.

A consequence will be issued for each excused absence. A demerit will be issued for each unexcused absence. See discipline and demerit sections below.

Transportation

Transportation will be provided by the school to all away games and any other cheerleading related activities.

Cheerleaders and mascot will ride to all cheer events with the squad. Cheerleaders and mascot may be signed out by a parent/legal guardian after the cheer event. Failure to sign out with the cheer sponsor after the cheer event will result in disciplinary action.

CHS/CMS Student Handbook and Athletic Policy discipline will pertain to all squad members as well as the following:

Each cheerleader/mascot is to have a theme (Swat the Bumblebees, Lasso the Longhorns, etc) for the pep rally skit and prepare an outline of cheers, skit, speaker, and band music. These outlines will be prepared during the summer practices. Pep rally planning sheets are due to the cheer coach/sponsor prior to the first week of school. If the cheerleaders choose a dress up theme for the pep rally, they are expected to dress up for the theme. Each cheerleader/mascot is expected to know every cheer, chant and/or dance for each week's pep rally. **Not being able to demonstrate competency in any of these areas is sufficient grounds for a consequence/demerit and/or the cheerleader/mascot being required to sit out during the pep rally, at the sponsors' discretion.**

Spirit and Attitude

Promote good sportsmanship by encouraging Clifton teams, rather than tearing down the opposing team and/or officials. Be aware of crowd situations and be willing to influence a positive shift in the crowd's attitude.

All performances should be taken seriously, whether it is pep rallies or games. Mistakes are not humorous. Your performance quality is important to the audience, whether it seems that way or not. You will receive as much respect as you demand by your own attitude.

Do not talk outside the squad about other cheerleaders/mascot or conflicts within the squad. If you have a problem with someone, go directly to him/her and/or the cheer coach/sponsor.

Do not get upset or discouraged and stop cheering due to fans not yelling with you. Your job is to continue cheering and supporting your team, whether winning or losing. If you give up, the fans will definitely give up on you. Win or lose, be proud that you have done a good job.

The entire town of Clifton is watching you, from small preschool girls to fellow classmates, in your every move at school, games, AND in your personal life.

Do not take this responsibility lightly. **Be proud of what and who you are.**

Extracurricular Code of Conduct Attachment:

Participation in Clifton High School Extracurricular Activities is a privilege and not a right. Therefore, the behavior expectations set forth in the Clifton High School Extracurricular Code of Conduct ("ECC") exceed the behavior expectations set forth in the Student Code of Conduct ("SCC").

Clifton High School Extracurricular participants must act with PRIDE and DIGNITY at all times. The purpose of this ECC is to establish regulations and procedures to work with violations that occur ON OR OFF SCHOOL GROUNDS THROUGHOUT THE ENTIRE CALENDAR YEAR to deal with Extracurricular Participants who commit violations in a fair and timely manner. The code is designed to discourage inappropriate behaviors, encourage extracurricular students to make choices that ensure their health and safety, and provide appropriate consequences for students who violate the code.

- Students who choose to participate in extracurricular activities are role models and exemplary behavior is expected of them **at all times**.
- The Coach/Director has the right to set high standards for and to impose consequences on those students who choose to participate in extracurricular activities.
- Each extracurricular activity may have specific conduct expectations in addition to the expectations outlined in the ECC. The expectations in each program will be developed and approved by the Coach/Director and Athletic Director.

- The **ECC** does not limit or restrict the authority of the Coach, Director, or school administrator from imposing other consequences in addition to the penalties set forth below, i.e., extra practice, and/or conditioning can be added to any consequence imposed.
- Discipline imposed under the **SCC** shall not affect any consequences imposed under the **ECC**.
- **Serious** behavior violations may result in removal from the extracurricular program.

Participant Responsibilities

Extracurricular participants have the responsibility to:

- Always remember they are representatives of their school, family and community - they must make a constant effort to project a positive, respectful image.
- Always be considerate of those around them and actively avoid situations that may reflect poorly on themselves and/or Clifton High School.
- Exhibit proper behavior - failure to do so will result in discipline in accordance with the Clifton ISD Code of Conduct.
- Adhere to the specified guidelines and rules of their chosen activities.
- Adhere to the specified guidelines and rules of the SCC.

Academics

Participants of any UIL activity must meet the minimum grade standards of the University Interscholastic League (UIL) and the Texas Education Agency.

1. At the beginning of each school year UIL eligibility is determined by state graduation credits earned during the previous school year(s). Each student must earn a minimum of 5 state graduation credits in the previous school year.
2. Each student participating in a UIL activity must be passing “all subjects” with at least a 70 average at the end of each six weeks grading period. If a student is ineligible for 2 consecutive grading periods he/she will no longer be allowed to participate in athletics until full eligibility is regained (a report card is issued with passing grades, not a 3 week progress report).

Tobacco, Alcohol and Illegal Drugs

Tobacco

The following rules apply to all Clifton High School Extracurricular students at all times during the calendar year.

- No smoking or use of any tobacco products OR of electronic cigarettes.

Offenses will be handled in the following manner:

- Parent notification by the Coach/Director
- Extra conditioning or practice as determined by the Coach/Director

Alcohol and Illegal Drugs

The following rules apply to all Clifton High School Extracurricular students at all times during the calendar year.

- Students shall not illegally consume, use, possess or disseminate alcohol and/or other illegal drugs in any form, at any time or place, shall be suspended from participation in extracurricular activities, in addition to any disciplinary consequences required by law.

Offenses will be handled in the following manner:

First Offense:

- Parent notification by the Coach/Director
- The student shall be suspended from participating in extracurricular activities for 10 percent of UIL allowable number of contests in his/her current or next sport/activity season.

Second Offense:

- Parent notification by the Coach/Director
- The student shall be suspended from participating in extracurricular activities for 50 percent of UIL allowable number of contests in his/her current or next sport/activity season.

Alcohol and Illegal Drugs (continued)

The following rules apply to all Clifton High School Extracurricular students at all times during the calendar year.

Third Offense:

- Parent notification by the Coach/Director
- The student shall be excluded from participating in extracurricular activities for the remainder of his/her school career.

Note: To calculate the suspension, a percentage of the number of games/activities/events allowed by the UIL will be applied. For example, if a student is suspended for 10% of the basketball season, the suspension would be for 2.5 games, as the UIL allows 25 games for basketball if no tournaments are played. If the activity is not a UIL event, the percentage will be calculated based on the number of events for that particular activity. For example, if the student participates in activities related to Future Farmers of America (FFA) wool judging, the percentage would be calculated based on the number of wool judging events available to the student.

If the offense occurs during the off-season then the suspension will begin the Monday preceding the first competition or performance.
