## **SUMMER ENRICHMENT TIGER CAMP (ACADEMIC)** **WEEKS OF JUNE 17-27, 2024**

Dates: June 17, 18, 19, 20, 24, 25, 26, 27

Times: 9:00AM - 12:00PM daily, Monday through Thursday, for all attendees

All Young 5's through 5th-grade students are invited to participate in our 2024 Extended School Year Enrichment Tiger Camp. This camp intends to provide extended learning opportunities and challenges to students who have already mastered or can quickly master the basic curriculum.

Cost:

\$75 per student, or \$55 per student if your child receives the reduced lunch rate.  
Free for students who receive free lunch.

Please note that if you cannot fully commit to your child's attendance, this may not be the best opportunity for him/her. This is an enrichment program, and lessons will build upon each other daily. We understand that students may need to miss due to illness, scheduled appointments, and unforeseen circumstances, and your child's teacher will work with you as needed.

Breakfast and lunch are free to all students before and after school.

# EXTRA-CURRICULAR TIGER CAMP CLASSES

1 Week Classes, Mon-Thur., from 12:45-2:00pm / \$35 per session

SESSION 1

## WEEK OF JUNE 17-20, 2024

### Growing Gardeners

Get Dirty & Grow! Calling all green thumbs! This camp lets you learn new skills, have tons of fun, and build confidence by growing your own plants. We'll work on school garden projects, and you'll even get to take some home to watch them grow – a blooming reminder of your summer adventures! (Bring gloves and a small shovel.)

### Yummy Fun & New Friends: Cooking Up Adventure

Calling all junior foodies! Get ready for a summer of delicious fun and making new friends in our "Yummy Fun & New Friends: Cooking Up Adventures" camp! We'll explore exciting new flavors, from creative "dirt pies" to healthy and delicious smoothies. Let's learn new recipes, experiment with food, and build lasting friendships – all while enjoying the magic of food!

### Mini Campout: Crafts for Your Doll

Calling all doll lovers! Our Doll Day Camp lets you bring your favorite friend for a summer camping and crafting adventure. We'll create adorable tents, camping accessories, and jewelry for your doll – the perfect keepsakes to cherish after camp! It's a fun way to spark your creativity and make memories with your special doll.

### Lego, Magna Tiles, and More

Brick Blast Off! Calling all young builders! This camp lets you unleash your creativity with Legos, Magna-Tiles, and other cool STEAM toys. Design, build, and create amazing structures – the sky's the limit!

## Garden Party Art Camp

Come join us for our garden party adventure! Students will use their creativity and imagination to make bird feeders, fairy gardens, and more. Come get your hands dirty making nature-themed arts and crafts.

## Yummy Fun & Friends: Cooking Up Adventure

Calling all junior foodies! Get ready for a summer of delicious fun and making new friends in our "Yummy Fun & New Friends: Cooking Up Adventures" camp! We'll explore exciting new flavors, from creative "dirt pies" to healthy and delicious smoothies. Let's learn new recipes, experiment with food, and build lasting friendships – all while enjoying the magic of food!

## Story Explorers: Crafts & Keepsakes for Summer Readers

Calling all bookworms! Dive into a summer reading adventure with our 4-day Story Explorers camp. We'll unlock the magic of exciting stories and spark your imagination. Then, bring your favorite tales to life with creative crafts and keepsakes made from a variety of materials. It's the perfect way to nurture your love of reading, create lasting memories, and keep those summer reading goals soaring!

## Taylor Swift Fan Club

Calling all Swifties! Get ready to shake it off with a Taylor Swift dance party, color sparkly pictures inspired by her music videos, and craft friendship bracelets fit for a squad.

## Project WILD Outdoor Education

Calling all nature ninjas! Our camp lets you explore the wonders of the world with hands-on lessons. We'll learn about protecting the environment (be an eco-hero!), work together as a team, and solve problems like a scientist. It's a summer adventure filled with discovery, creativity, and becoming a champion for our planet!

## Robust Robotics (K-2 Students Only)

Your adventure awaits with LEGO® Education! Students will be introduced to the world of robotics and complete exciting challenges. Get ready to build, code, and create as we use LEGO® Education to foster creativity, problem solving skills and critical thinking.

## Summer Craft Camp: Make & Take Fun

Sunshine, smiles, and take-home crafts! Our summer camp lets young artists unleash their creativity with engaging projects every day. Build DIY bird feeders to attract feathered friends, craft dazzling sun catchers that shimmer in the light, and explore a variety of fun summertime themes through hands-on activities. It's the perfect way to beat the heat and create keepsakes that capture the joy of summer!

## Zen & Focus: Move Your Body, Sharpen Your Mind

Beat stress and boost focus this summer! Our camp combines yoga, walks, and fun movement to help kids relax, get energized, and improve memory. Plus, they'll learn coping skills through mindfulness – it's a summer of growth for mind and body!

## Become a Basketball Star: Skills, Drills and Teamwork

Calling all future MVPs! Our basketball class is your chance to learn the game from the ground up. Dribble like a pro, shoot hoops with confidence, and master the art of passing. We'll focus on the fundamentals while fostering sportsmanship and teamwork – all the makings of a basketball superstar!

## Ballin' with Buddies

Ms. Panchula is calling all ballers! Grab your buddies and a ball and come play your favorite sports: football, basketball, volleyball, or soccer. We'll play outside most of the time, moving indoors to the gym if it rains. Get ready for a week of exercise and summertime fun! Strongly encouraged to bring your favorite ball!

## Code Crusaders

Calling all creators! Code Crusaders lets you build your own world with art, games, and digital stories. Learn problem-solving, programming, and computational thinking skills that bring your ideas to life! It's coding meets creativity for a summer of building awesome stuff.

## Backyard Ninja Challenge: Test Your Skills

Calling all outdoor adventurers! Join Mrs. Arntz for the Backyard Ninja Challenge, a series of fun and age-appropriate obstacles on the playground. You'll test your running, jumping, balancing, climbing, and crawling skills – all while getting a great workout! Compete with friends, build endurance, strength, and agility, and transform your playground into a ninja training ground!

## Rockin' Roller Skating Club

Lace up your skates; it's roller disco time! Get ready to zoom around, improve your skills, and create awesome memories with your friends! **STUDENTS MUST BRING THEIR OWN SKATES!**

## Get Cooking and Get Creative

Foodies unite! Get Cooking & Get Creative lets you make yummy treats, explore food science (ice cream in a bag!), and design your masterpieces with art projects. It's a delicious summer of food fun!

## Camp Olympia: Feel the Summer Games Spirit

We will adapt some traditional Olympic sports into ones that we can play on the playground. We will incorporate traditional play with an Olympic twist. During this week-long camp, we will work on teamwork, individual work, and staying active. We will cater to all ages and skill levels by offering variations within each event.

## Taylor Swift Fan Club

Calling all Swifties! Get ready to shake it off with a Taylor Swift dance party, color sparkly pictures inspired by her music videos, and craft friendship bracelets fit for a squad.

## Lace Up & Learn: Soccer for Everyone

Lace up your cleats, future superstars! Soccer Club lets you learn and love the beautiful game. We'll master the basics, from stretching to scoring goals through drills and scrimmages. It's all about teamwork, exercise, and becoming a soccer whiz!
