

## CREDIT RECOVERY FOR STUDENTS IN GRADES 9-12

In meeting the needs of the students, the board may grant credit to a student that meets the following requirements in this policy. These requirements will take the place of the standards and curriculum. Students wishing to receive credit for grade acceleration in the High School will need to start with the approval of the Superintendent and the Curriculum Director.-Students may not be required to meet the same High School credits or standards based on criteria that includes:

- Completion of an Associate of Arts Degree
- Acceleration of an entire / whole grade
- Meets the qualifications for Fairfield TAG program
