"LIGHTING A PATH TO THE HIGHER PURPOSE."

August 31<sup>st</sup> - September 6<sup>th</sup>

St. Joseph Community School's mission is that we are here to lead students to their fullest potential. We focus on four main categories: *academic excellency, faith, leadership, and service*. All of these categories are meant for them to thrive and also encounter Christ while on their journey.

## ACADEMIC EXCELLENCY

## FAITH

## LEADERSHIP

## SERVICE

*Proverbs 27:17*

"At St. Joe's, my faith was cultivated and intertwined with academics, volunteering, and athletics, and truly everything that we did. This was so valuable and formative during my growing up years, alongside what I was learning at home and at church about my faith."

**Lydia Gessner // Class of '16**

## MEET THE CLASSROOMS

### 3 YEAR OLD PRESCHOOL

We had such a great first couple days of school together. It was so nice getting to see and meet everyone. We did a lot of classroom expectations and working on learning what we do and when we do it. We also read a couple of stories. Everyone learned a few new songs. One is how we start our carpet time called Good Morning Preschool Friends How are You? Another song was Something in my Pocket, and then the last one was Alligator Chomp. You will have to see if your little one can remember some of it so far. We also did a few different art projects. One of them was A first day of school crown, First Day of school Handprints, and another was a fun water color made from markers and water project. There were so many smiles and laughs and I can't wait to continue the rest of our year together. - **Mrs. Schueth**
