- One \$1000 scholarship.

Notice: Please be aware that when the scholarship money is given to the college, there are times when the college applies that award to grants that the college has already offered. If you find that your scholarship is not going to benefit you, you might consider allowing it to be given to the alternate. It is the applicant's responsibility to research the accepting college's financial decision, so an awareness of the benefit loss is understood.

I approve Glen Lake High School releasing any information called for in this application which is to be used solely by the judges of the scholarship awards.
