

SCHOOL COMMITTEE MEMBER RESIGNATIONS

The School Committee believes that any candidate seeking election to the School Committee should do so with full appreciation for the investment of time, effort and dedication expected of all Committee members, and that it is the candidate's intent, if elected, to serve a full term of office.

However, if for reasons of health, change in residence, or any other compelling reason a member does decide to terminate his/her service, the School Committee requests the earliest possible notification of intent to resign so that the School Committee may plan to fill the anticipated vacancy.

A member who resigns shall submit their resignation in writing to the Chair of the School Committee with a copy to the Superintendent of Schools.
