

Summers County Schools 2023-2024 Testing Transparency
Required by the Elementary and Secondary Education Act of 1965
(as amended by the *Every Student Succeeds Act* in 2015)

ESEA requires LEAs to post testing transparency on all federal, state, and local assessments on their websites. LEAs may modify this template as needed and must post the information to ensure compliance with the testing transparency requirement.

Federal/State Required Assessments
<p>National Assessment for Education Progress (NAEP)</p> <p><u>Subject(s) Assessed</u> In 2024, Mathematics, Reading, Science in grades 4, 8, and 12 Other subjects on schedule: Civics, U.S. History, Technology and Engineering, and Writing,</p> <p><u>Purpose of the Assessment</u> The NAEP informs the public about what American students know and can do in various subject areas and compares achievement among states, large urban districts, and various student groups. The NAEP is a national assessment administered through a scientific sampling process which means that only a representative sample of selected students in selected schools take this assessment.</p> <p><u>Requirement for the Assessment</u> Federal: Public Law 114-95, Elementary and Secondary Education Act (ESEA) of 1965, as amended by the Every Student Succeeds Act (ESSA) 2015 State: West Virginia Constitution, Article XII, §18-2E-2, and West Virginia Board of Education Policy 2340 West Virginia Measures of Academic Progress</p> <p><u>Amount of Time to Complete the Assessment</u> Total time is about 2 hours</p> <p><u>Scheduled Assessment Window</u> Mathematics and Reading are assessed once every other year. Science and Writing are generally administered once every four (4) years. The National Assessment Governing Board determines the NAEP assessment schedule including the grades and subjects tested each year. The current schedule can be found on their website at Assessment Schedule (nagb.gov). The NAEP assessment window is defined in federal law as the six-week period from the last week of January to the first week of March each year. Each sampled school is assigned a single assessment day during the six-week window. Hinton Area Elementary Grade 4 assessment date: February 1, 2024.</p> <p><u>Time and Format for Dissemination of Results</u> The National Assessment Governing Board and the National Center for Education Statistics release the national and state level reading and mathematics results via a website in the fall following the assessment administration. Only national level science results will be released.</p>
<p>West Virginia General Summative Assessment (WVGSA)</p> <p><u>Subject(s) Assessed</u> English language arts (ELA), including writing, and mathematics in Grades 3-8 at grade level; Science in Grades 5 and 8 as grade-band tests.</p>

Purpose of the Assessment

This assessment measures student performance on the state’s content standards. The results give students, teachers, and families meaningful information on what students know and can do, and how well they are progressing toward college and career readiness.

Requirement for the Assessment

Federal: Public Law 114-95, Elementary and Secondary Education Act (ESEA) of 1965, as amended by the Every Student Succeeds Act (ESSA) 2015

State: West Virginia Constitution, Article XII, §18-2E-2, and West Virginia Board of Education Policy 2340 West Virginia Measures of Academic Progress

Amount of Time to Complete the Assessment

The WVGSA is an untimed test that takes approximately 2 hours for each content test session. The ELA test consists of two sessions, including one session that consists of an extended writing task.

Scheduled Assessment Window

The WVGSA is administered in the spring of each year. The state establishes a statewide testing window, and each county then determines a county-wide testing window and a testing schedule for each school within the district. For spring 2024, the ELA-Writing test will be administered March 4-15, 2024, and the ELA-Reading, math, and science tests will be administered during the statewide testing window April 8-May 24, 2024.

Summers County Schools WVGSA Schedule:

SCS Students ELA Writing – March 5, 2024

Homeschool & Virtual Students ELA-Writing – March 11, 2024

SCS Students ELA-Reading, Math & Science – May 6 – May 8, 2024

Homeschool & Virtual Students ELA-Reading, Math, & Science – May 13 – May 15

Time and Format for Dissemination of Results

Testing results start appearing in the Cambium Reporting System on a rolling basis at the end of April. Scores for ELA, math, and science should appear very soon after a test is completed. ELA scores could be delayed in spring 2024 to allow for scoring calibrations for newly added writing prompts. County and school personnel can access these results and analyze data at the county and school level.

Parents will have access to individual student reports in an online parent portal in August. Printed individual student reports and individual video score reports are provided to counties and schools to send home to parents/guardians in August each year. Scores are embargoed from public release or discussion until released during the summer by the WVDE.

SAT School Day

Subject(s) Assessed

Grade 11 students take the following test components: Reading and Writing Test and Math Test, including science-related items that produce a science score.

Purpose of the Assessment

The SAT School Day is a nationally recognized college- and career-readiness assessment administered by the College Board and is accepted at colleges and universities throughout West Virginia and the nation for both college admissions and placement. SAT School Day also can be used to qualify for the Promise Scholarship. It is administered online.

Requirement for the Assessment

Federal: Public Law 114-95, Elementary and Secondary Education Act (ESEA) of 1965, as amended by the Every Student Succeeds Act (ESSA) 2015

State: West Virginia Constitution, Article XII, §18-2E-2, and West Virginia Board of Education Policy 2340 West Virginia Measures of Academic Progress

Amount of Time to Complete the Assessment

Total time is 2 hours and 14 minutes for the Reading and Writing Test and Math Test, with science items included.

Scheduled Assessment Window

For spring 2024, the statewide testing window will be April 8-April 26, 2024.

Summers County Schools SAT School Day Schedule: April 16, 2024

Time and Format for Dissemination of Results

Student scores are available to students in the College Board's Electronic Reporting System approximately three weeks after the completion of testing. Counties and schools have access to test results in late May. Printed individual student reports with West Virginia proficiency cuts applied are provided to counties and schools to send home to parents/guardians in August each year.

West Virginia Alternate Summative Assessment (WVASA), also known as the Dynamic Learning Maps Alternate Summative Assessment

Subject(s) Assessed

English and Mathematics in Grades 3-8 and 11, and Science in Grades 5, 8, and 11.

Purpose of the Assessment

The WVASA is a summative measure of student academic performance based on the West Virginia Alternate Academic Achievement Standards administered in lieu of the WVGSA to students in grades 3-8 and grade 11 who have the most significant cognitive disabilities.

Requirement for the Assessment

Federal: Public Law 114-95, Elementary and Secondary Education Act (ESEA) of 1965, as amended by the Every Student Succeeds Act (ESSA) 2015

State: West Virginia Constitution, Article XII, §18-2E-2, and West Virginia Board of Education Policy 2340 West Virginia Measures of Academic Progress

Amount of Time to Complete the Assessment

The WVASA is an untimed series of testlets averaging 3-5 minutes per testlet, with 7-9 testlets per subject area.

Scheduled Assessment Window

The Alternate Summative Assessment (WVASA) is administered in the spring of each year. The state establishes a statewide testing window, and each county then determines a county-wide testing window and a testing schedule for each school within the district. For spring 2024, the statewide testing window is April 8–May 24, 2024.

Summers County Schools WVASA Schedule: April 8 – May 24, 2024

Time and Format for Dissemination of Results

DLM releases scores to the state in July. Schools and teachers can access scores in August. Individual student reports are provided in August each year to send home to parents/guardians.

English Language Proficiency Assessment for the 21st Century (ELPA21)/Alternate English Language Proficiency Assessment (Alt-ELPA)

Subject(s) Assessed

4 Domains of English Language Proficiency – Speaking, Listening, Writing, and Reading in Grades K-12

Purpose of the Assessment

Health/ Wellness Education

Purpose of the Assessment

HEAP measures student health knowledge and program effectiveness.

Requirement for the Assessment

In 2005 HB 2816, The Healthy Lifestyles Act, was signed into law, and the law includes the following mandate: "The State Board shall prescribe a standardized health education assessment to be administered within health education classes to measure student health knowledge and program effectiveness." Students in grades 6, 8, and the required high school health course must complete the HEAP assessment.

Amount of Time to Complete the Assessment

The HEAP assessment is untimed and takes approximately 40 minutes to complete.

Scheduled Assessment Window

There is not a scheduled assessment window assigned. Assessment scheduling is determined by the teacher.

Time and Format for Dissemination of Results

Class scores are reported in HEAP assessment portal and can be accessed by the teacher. Individual student scores are not reported.

Optional Assessments Offered by State

West Virginia Benchmarks

Subject(s) Assessed

English language arts (ELA) and mathematics in Grades 3-8 and science in Grades 5 and 8

Purpose of the Assessment

The West Virginia Benchmarks are comprehensive computer adaptive assessments aligned to West Virginia's state academic standards and to the same test blueprint as the WVGSA. The Benchmarks may be administered at the beginning of the school year as a pre-test to measure what students know and are able to do in relation to the content standards at each grade level and then administered later in the school year to measure how much improvement students have made following instruction. The results give students, teachers, and families meaningful information on students' initial knowledge and skills level. This information is used to plan instruction throughout the year to ensure that students make progress toward college and career readiness. Items come from a secure item bank. Teachers may not view the items.

Requirement for the Assessment

Optional – Counties and schools may – but are not required to – administer the Benchmarks. Some counties may require these assessments on a county level.

Amount of Time to Complete the Assessment

The Benchmarks are untimed tests that take approximately 1-2 hours for each content test session. The ELA test consists of two sessions, including one session that consists of an extended writing task.

Scheduled Assessment Window

Counties decide when the Benchmarks are administered. They often are administered in the fall prior to instruction and/or mid-year as a checkpoint on student proficiency prior to taking the WVGSA. Counties and schools may set their own testing schedules according to their needs.

Summers County Schools WV Benchmark Schedule:

Fall: Oct. 9 – 20, 2023

Spring: Feb. 5 – 16, 2024

Time and Format for Dissemination of Results

Results begin appearing in the Cambium Reporting System immediately after students have completed the assessment. County and school personnel can access these results and analyze data at the county, school, classroom roster, and individual student level.

West Virginia Fixed Forms

Subject(s) Assessed

English language arts (ELA) and mathematics in Grades 3-8

Purpose of the Assessment

The West Virginia Fixed Forms are comprehensive fixed-form assessments aligned to West Virginia's state academic standards and to the same test blueprint as the WVGSA. The Fixed Forms may be administered at the beginning of the school year as a pre-test to measure what students know and are able to do in relation to the content standards at each grade level and then administered later in the school year to measure how much improvement students have made following instruction. The results give students, teachers, and families meaningful information on students' initial knowledge and skills level. This information is used to plan instruction throughout the year to ensure that students make progress toward college and career readiness. Items come from a semi-secure item bank. Teachers may view the items.

Requirement for the Assessment

Optional – Counties and schools may – but are not required to – administer the Fixed Forms. Some counties may require these assessments on a county level.

Amount of Time to Complete the Assessment

The Fixed Forms are untimed tests that take approximately 1-2 hours for each content test session. The ELA test consists of two sessions, including one session that consists of an extended writing task.

Scheduled Assessment Window

Counties decide when the Fixed Forms are administered. They often are administered in the fall prior to instruction and/or mid-year as a checkpoint on student proficiency prior to taking the WVGSA. Counties and schools may set their own testing schedules according to their needs.

Time and Format for Dissemination of Results

Results begin appearing in the Cambium Reporting System immediately after students have completed the assessment. County and school personnel can access these results and analyze data at the county, school, classroom roster, and individual student level.

West Virginia Modules

Subject(s) Assessed

English language arts (ELA) and mathematics in Grades 3-8

Purpose of the Assessment

The Modules are short assessments measuring “chunks” of related content. Each Module has at least two forms available and are available to allow all the content for the school year to be assessed. Modules provide data teachers can use to plan or adjust instruction throughout the year to address any weaknesses in targeted areas.

Requirement for the Assessment

Optional – Counties and schools may – but are not required to – administer the Modules. Some counties may require these assessments on a county level.

Amount of Time to Complete the Assessment

The Modules are untimed tests with 5-20 questions; time to complete will vary.

Scheduled Assessment Window

Counties decide when the Modules are administered.

Summers County Schools WV Module Schedule:

Schools are required to give 1 ELA and 1 Math Module the first 9 weeks and 4 ELA and 4 Math Modules during each of the 2nd, 3rd, and 4th 9 weeks.

Time and Format for Dissemination of Results

Results begin appearing in the Cambium Reporting System immediately after students have completed the assessment. County and school personnel can access these results and analyze data at the county, school, classroom roster, and individual student level.

Counties and schools must ensure that students with the most significant cognitive disabilities can participate in county-required assessments or provide an equivalent alternate assessment for these students.

County Required Assessments

AimswEBPlus

Subject(s) Assessed

aimswebPlus are Curriculum-Based Measures (CBM) of reading and math performance for grades K-5. Assessments include Early Literacy, Reading, Early Numeracy, Mathematics, Spelling and Writing.

Purpose of the Assessment

aimswebPlus informs daily instruction and provides growth results to caregivers and district/state audiences in reading and math achievement using curriculum-based assessment and standards-aligned content for students in K through Grade 5. Additionally, aimswebPlus links to instructional resources to support growth in reading, writing, and math skills. aimswebPlus uncovers learning gaps quickly, identifies at-risk students, and assesses growth at the individual and group levels.

Requirement for the Assessment

House Bill 3035 addresses early literacy and numeracy development in kindergarten through third grade by establishing a holistic statewide approach. The bill establishes an approved list of screeners/benchmarks in English Language Arts, dyslexia, and mathematics for K-3 students which must be given in the first 30 days of the school year then repeated at mid-year and end-of-year. aimswebPlus is an approved screener/benchmark.

Amount of Time to Complete the Assessment

aimswebPlus tasks are administered either through whole group or individually, total screening times vary per grade level. The overall screening is approximately 15-30 minutes per student.

Scheduled Assessment Window

Summers County Schools aimswebPlus Schedule:

Talcott Elementary

Fall: September 11 – 15, 2023

Mid-Year: January 8 – 12, 2024

Spring: April 8 – 12, 2024

Jumping Branch Elementary

Fall: September 18 -22, 2023

Mid-Year: January 15 – 19, 2024

Spring: April 15 – 19, 2024

Hinton Area Elementary

Fall: September 25 – 29, 2023

Mid-Year: January 29 – February 2, 2024

Spring: April 22 – 26, 2024

Time and Format for Dissemination of Results

District and school personnel can access these results and analyze data at the district, school, classroom roster, and individual student level. Score reports are sent to parents or guardians after each assessment window. Notification of parents or guardians is included in the creation and implementation of reading or mathematics improvement plans for students who will receive targeted and intensive intervention after each assessment window.
