Justus-Tiawah Public School

November 9, 2023

Dear Wildcat Parents,

As the holiday season approaches, several of our Justus-Tiawah classes have indicated that they would like to adopt angels for Christmas. We want to take care of the needs of our Justus-Tiawah families first, so if your family is having a tough time during this holiday season, and could use some assistance, we would like you to consider participating in our 17th Annual Justus-Tiawah Angel Tree. It is our goal to serve those families who have needs, but may not qualify for assistance through other programs such as DHS or the Salvation Army; therefore, if you have already signed up to participate in another program, we respectfully ask that you not participate in both.
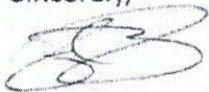

Our program works as follows:

If your family needs assistance please complete the form on the back of this letter and return it in a confidential envelope to Mrs. Clifton in the Superintendent's office. We will carefully protect the identity of those families who are participating. We need to have those forms returned to us by Wednesday, November 15th.
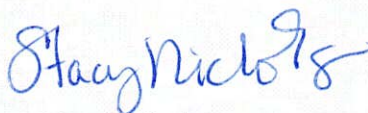

If you would like to adopt an angel, they will be available in the office beginning Thursday, November 16th for you to pick up. We ask that you return the unwrapped donated items to the office by Wednesday, December 13th.

The office will contact participating families to schedule a time on Friday, December 15th. to pick up donated items. We hope that our school community will be blessed by this endeavor. Thank you for your consideration of the project.
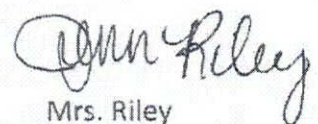

Sincerely,

Dr. Boothe   Mrs. Nichols   Mr. Kelley   Mrs. Riley
