

WINTER WEATHER COMMUNICATIONS

We have several ways that we communicate in case of a school delay or closure. Please reference the list below in order to obtain accurate information.

THRILLSHARE: CALL/TEXT/EMAIL

It is our goal to notify each family by phone. In a standard school closure situation, families will receive a call, text and email by 6:00 a.m.

ESD WEBSITE & ESD APP

www.enumclaw.wednet.edu or www.flashalert.net
Emergency delays or closures will be updated on the websites as quickly as possible. Families with the ESD app will also receive a push notification to their phone.

ESD SOCIAL MEDIA

www.facebook.com/enumclawschooldistrict
We do our best to post emergency delays and closures information on our district Facebook page.

LOCAL NEWS & WEATHER STATIONS

Information regarding local school district delays and closures is reported by the local TV and radio stations. They also post this information on their websites. If Enumclaw is not specifically mentioned, schools will be operating normally.
