Announcement of Appointment

Francis (Frank) DeCrescenzo Appointed Assistant Principal at Schenectady High School

The Schenectady City School District is pleased to announce that Francis (Frank) DeCrescenzo, also known as "Mr. D," has been selected to serve as an assistant principal at Schenectady High School in the Business, Marketing, and Entrepreneurship (BMD) Leadership Academy. DeCrescenzo brings a unique blend of experience from both the education and financial sectors, with a strong focus on building relationships and fostering student growth.

DeCrescenzo is deeply passionate about helping students discover their pathways, develop essential skill sets, and achieve their future aspirations. For the past three years, he has served as the Work-Based Learning Coordinator for the Early College Career Academy & P-Tech Program at WSWHE BOCES. Before that, he dedicated 14 years to the classroom as a business and CEIP teacher. His commitment to student development extended beyond academics through his coaching roles in basketball, baseball, and golf, as well as his advisement of various senior classes and Future Business Leaders of America (FBLA).

Academically, DeCrescenzo holds an associate's degree in accounting from Westchester Community College and a Bachelor's in Business Administration with a concentration in Human Resources from the University at Buffalo. He continued his education at SUNY Oswego for his Work-Based Learning credential, SUNY Plattsburgh for a Master's in Curriculum and Development, and a Certificate of Advanced Study in Educational Leadership.

Outside of school, Mr. D enjoys spending quality time with his family and friends, engaging in sports, watching movies, being outdoors, and traveling. The Board of Education approved his appointment on July 16, and DeCrescenzo will begin in his new role on August 4.
