

## Getting Started with Professional Learning Management (PLM)

Welcome to Professional Learning Management (PLM), part of Frontline's Professional Growth solution!

### FIRST: CREATE YOUR ACCOUNT & LOG IN

- *Frontline Professional Growth Invite*  
You will receive an email invitation to create your Frontline username and password to access the system – follow the instructions for initial access

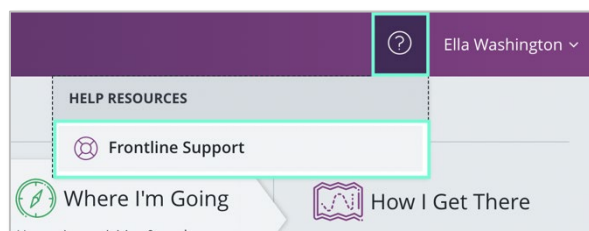

\*\*\*If you already have your Frontline ID (login credentials), you can skip the step about creating a username and password.

- *Accessing the System*  
Once you have created your account, login at <http://app.frontlineeducation.com>  
Enter your username and password, click **Sign In**

### NEXT: ACCESS THE PROFESSIONAL GROWTH LEARNING CENTER

- *Connect to resources*  
Click the ? in the upper right of the screen and select **Frontline Support** to access the Learning Center

→ You must do this step to authenticate your account before you can access the resources linked below.

#### RECOMMENDED RESOURCES

Pick your preferred learning format to get to know the system:

Articles [Getting Started in PLM for Learners](#) | Videos [PLM Orientation for Learners](#)

*In a rush? Use the quick summary below!*
